38. Sh. Kuldeep Kumar Sarsar, SOA, G. A. Branch

Agenda 15.1 : Opening remarks by the Chairperson

Agenda 15.2 : Confirmation of the minutes of 14th meeting of the IQAC held on 29.04.2026

It is submitted that the minutes of the 14th meeting of the IQAC, DTU held on 29.04.2026 were circulated among all the members vide forwarding No. DTU/IQAC/2018/24/555 dated 14.05.2026 and DTU/IQAC/2018/24/616 dated 03.06.2026.

Decision : IQAC confirmed the minutes of the 14th meeting of IQAC.

Agenda 15.3 : Action taken report on the decision taken in the 14th meeting of the IQAC held on 29.04.2026

The IQAC informed that 17 agenda items were discussed in the last meeting held on 29.04.2026 & 22.05.2026. The details of the agenda, decision taken there on and the action taken by the University are given below for information of the Hon'ble Members:

Decision : IQAC took the Action Taken Report (ATR) on record and noted the progress made on the decisions taken in the 14th IQAC meeting. It was observed that some of the agenda items have been discussed and further action is required for their completion. The concerned offices/departments were advised to undertake the requisite further action for completion of the pending items and submit the updated status to IQAC.

The decisions on the respective agenda items of the 14th IQAC meeting are as follows:

14.4 Review of Action Taken Report on Student Exit Survey Feedback

Issue: 17: Effective Mentorship.

Decision : DSW apprised IQAC that process of notification of SOP of Mentor Mentee is in progress and will be notified in next 15 days.

[Action: Dean Student Welfare]

14.5 Review of Action Taken Report on Course Feedback

Decision : IQAC was informed that Course Feedback has not been received of Odd Sem 2025-26 from Department of **Civil Engineering, Design, Environmental Science and Engineering, USME**. It was decided that a letter be issued to the Departments which have not yet submitted the requisite information/documents, with a direction to expedite the process and submit the pending information to IQAC at the earliest.

[Action: Concerned HODs]

14.6 Review of Action Taken Report on Teacher Feedback A. Y. 2025-26 (Odd Semester)

Decision : IQAC was informed that Teacher Feedback has not been received of Odd Sem 2025-26 from Department of **Design and USME**. - **Committee to be formed to review the how the scholarships and fee waivers can be increased**

AND

- **The teaching assistantship (TA) policies for UG in program IIT Delhi and other eminent institutes/Universities to be reviewed.**

Decision : DSW informed IQAC that the proposal for increasing scholarships and fee waivers and the review of the Teaching Assistantship (TA) policy for UG students were discussed in the committee. However, the applicability of proposed TA support, including the possibility of providing stipend/support, students for M. Tech. Non-Gate (full-time) would be further discussed in the meeting of HODs/Deans.

[Action: Dean Student Welfare]

- **Reactivate biogas plant; increase use of motion sensors, energy meters, and automatic lighting systems.**

Decision : HOD, ENE and Prof. Neeraj Sharma informed that HOD, CED has given the consent to work on the reactivation of biogas plants, however, no action has been done till now. All documents regarding biogas plant have been collected by HOD, ENE. It was decided that a separate meeting with the HVC must be convened to deliberate upon and finalize the proposal for the said agenda. The recommendations may be presented in next IQAC meeting by HoD, ENE.

[Action: HOD, ENE]

- **Formulate and publish a Waste Management Policy. Ensure proper authorization and maintain proof of waste disposal with geo-tagged evidence.**

Decision : HoD, ENE informed IQAC that the Waste Management Policy has been prepared by the Committee constituted under the Chairmanship of Prof. Neeraj Sharma. The recommendations of the Committee have been shared with the HVC.

It was discussed that after the approval of the policy from the HVC, the Waste Management Policy may be sent to concerned office for implementation of the said.

[Action: HOD, ENE]

- **To prepare a white paper on reducing carbon foot print on DTU Campus.**

Decision : Dr. Lovleen Gupta informed that the draft document/White Paper on reducing the carbon footprint of the DTU campus has been prepared and shared with the HVC for further suggestions. It was discussed that Dr. Lovleen Gupta may sent the poster to strengthening the mechanism for collection of relevant data pertaining to carbon emissions from students, faculty and other stakeholders for dissemination

and collection of data from student community. It was further suggested that the poster may be appropriately shared through Office of Dean Student Welfare on concerned groups for effective data collection.

The document on “**white paper on reducing carbon foot print**” will be finalized after incorporating the suggestions from HVC.

Agenda 15.4 : Review of the Action Taken Report on External Green Audit Recommendations.

It is submitted to IQAC that Prof. Anil Kumar Haritash was nominated as Nod Officer for compiling Green Audit Recommendations. Work on Recommendation No. 4, 10,13,14,15 has completed. Further, the detail of the progress on the other recommendations is as follows:

Green Audit Recommendation	Action Taken	Status
Recommendation 1: Bore wells are in operation on the campus; however, No Objection Certificate (NOC) had not been obtained for their operation, as required under the applicable groundwater extraction regulations.	The process of seeking NOC from the DJB has been initiated. In the meantime, the installation of meters over the borewells has been initiated.	In Progress
Recommendation 2: There is currently no regular biodiversity survey or documentation in place.	The Biodiversity survey has been initiated through the nodal officer, SIUA, DTU.	In Progress
Recommendation 3:	The Biodiversity survey	In Progress

Ecological awareness among students and staff regarding campus biodiversity is currently limited. NO tie-up with animal welfare NGOs	has been initiated through the nodal officer, SIUA, DTU.	
Recommendation 5: Seven DG sets exceeding 27 years of service life were found on-site. These units were neither acoustically enclosed nor equipped with any pollution control devices, resulting in non-compliance with CPCB emission and noise control norms.	Replacement/Retrofitting has already been started. RECD has been installed in one DG set. The opening financial bids of two DG sets having capacity 380 kVA and 250 kVA is under process.	In Progress
Recommendation 6: The stack height of the DG sets was found to be non-compliant with CPCB norms. Additionally, no Retrofit Emission Control Devices (RECD) or Dual Fuel provisions were installed as per regulatory requirements.	The DG stack shall be installed at a minimum height of 6 meter above the height point of the building and at least 5 meter horizontally from any adjacent building.	In Progress
Recommendation 7: The Consent to Operate (CTO) certificate (Letter No: DPCC/CMC/2019/116267, dated 12.07.2019) has expired as of 30.06.2024 and requires immediate renewal to maintain regulatory compliance.	The CTO certification process has already been started for approval from competent authority.	In Progress
Recommendation 8: There is no quantification of solid waste (biodegradable and non-biodegradable) at the site. Additionally, waste segregation at source was found to be inadequate, and no Standard Operating Procedure (SOP) for solid waste management was available.	The segregation of waste has already started. One 6 segregation yard, composting yard and WTE plant are in working condition. The horticulture waste goes to composting yard.	In Progress
Recommendation 9: The agreement with Nootan Efficient Management System, third party vendor for solid waste management,	Control association MoU has been initiated with Indian Pollution Control Association (IPCA).	In Progress

was not provided for review during the audit.		
Recommendation 11: No records of daily water supply from the MCD line or borewells were available for verification, raising concerns regarding water usage tracking and regulatory reporting.	The process of seeking NOC from the DJB has been initiated. In the meantime, installation of meters over the borewells has been initiated. Engineering Cell has already started and maintaining the water log book.	In Progress
Recommendation 12: Biomedical waste management practices are not in compliance with the Biomedical Waste Management Rules, 2016. The following deficiencies were noted: • No authorization from DPCC for biomedical waste handling	Work is under process	In Progress
• No agreement with an authorized vendor for biomedical waste disposal.	Agreement done with agency to disposal biomedical waste.	
• No SOP in place for biomedical waste management.	SOP has been prepared and validation of Biotechnology is pending.	
Recommendation 16: The installed capacity of the DG sets exceeds the permitted capacity outlined in the Consent to Operate (CTO), leading to non-compliance with environmental conditions.	The CTO certification process has already been started for approval from competent authority.	In Progress
Recommendation 17: It was observed that six-monthly compliance reports for Environmental Clearance	The CTO certification process has already been started for approval from	In Progress

(EC) have not been submitted to the regulatory authorities, which is a violation of statutory compliance requirements.	competent authority.	
Recommendation 18: No hygiene audit at the mess and canteens has been conducted at the campus to date, raising concerns about occupational health and sanitation practices.	It submitted to IQAC that a committee has audits been formed under the chairmanship of OSD to HVC to conduct the hygiene to comply the recommendation as per FSSAI standards and the work is in under progress.	In Progress
Recommendation 19: As per the Environmental Clearance (EC) conditions, an Organic Waste Converter (OWC) should be installed at the site. However, organic waste is currently being decomposed in pits, which does not align with the stipulated EC requirements.	One segregation yard, 6 composting yard and WTE plant, logs are maintained properly.	In Progress

Decision : Prof. Anil Kumar Haritash, Nodal Officer SIUA presented the progress on the action taken report against the External Green Audit Recommendations. The following decisions were taken;

Recommendation	Decision	Status of Recommendation

Agenda 15.8 : Pre-qualifier of 01 UG program namely Engineering Physics and 02 PG programs namely VLSI Design and Embedded System and Signal Processing and Digital Design approved by NBA

It is submitted to IQAC that Pre-qualifier of 02 PG programs namely **VLSI Design and Embedded System** and **Signal Processing and Digital Design** from Department of Electronics and Communication Engineering and 01UG program namely Engineering Physics Department of Applied Physics has been approved by NBA.

The process of filling of Self-Assessment Report (SAR) is ongoing which has to submit the SAR for two (PG) programs by **07 August 2026** and one (UG) program is to be submitted by **31 August 2026**.

Decision : IQAC took the development on record.

[Action: IQAC]

Agenda 15.9 : Review of Infrastructure and Facilities feedback (January to March 2026)

It is hereby submitted that the Internal IQAC team has reviewed Infrastructure and Facilities feedback for January-March 2026 -related feedback shall further be handled by the DSW office.

IQAC took the development on record, and the decision on category-wise infrastructure feedback is as follows:

Sr. No.	Category	Presentation on Action taken by Concerned officer/Branch-in charges
Category 1	Food, Mess and Canteen Facilities	General Administration, Chief Warden (Hostel) and CPO
Category 2	Classrooms, Labs and Academic Spaces	CPO/IQAC
Category 3	Wi-Fi and Internet	Computer Centre
Category 4	Washrooms, Cleanliness and Waste Management	General Administration
Category 5	Hostel and Accommodation	Chief Warden (Hostel)
Category 6	Sports and Recreation	Chairperson, Sports and CPO]
Category 7	Water and Drinking Water Facilities	General Administration/ CPO
Category 8	Library	CPO/ Librarian
Category 9	Transportation and Security	Transport & Security Officer,

	Services	General Administration, Registrar
Category 10	Medical Health Services	Health Centre

Decision : It was decided that all concerned departments/offices shall submit the Action Taken Report (ATR) for their respective categories to the Dean, Student Welfare (DSW). The Dean, Student Welfare shall compile the category-wise Action Taken Report and discuss the progress with the Hon'ble HVC for further directions, wherever required.

The Infrastructure and Facilities Feedback Reports for the quarters January–March, April–June, and July–September 2026 shall be collected by the Student Welfare Office and presented in the next IQAC Meeting.

[Action: Dean Student Welfare]

Agenda 15.10 : Discussion on the Disability Guidelines given by UGC

It is submitted to the IQAC that the University Grants Commission (UGC) has issued the **Guidelines for Credit-Based Course on Pedagogical Aspects for Teaching Divyangjans and Persons with Specific Learning Disabilities (SLDs) in August 2023.**

These guidelines aim to promote inclusive and equitable higher education by equipping faculty members with the necessary pedagogical knowledge and skills to effectively teach and support students with disabilities. The guidelines also recommend the introduction of a credit-based course to enhance awareness, accessibility, inclusive teaching practices, and appropriate assessment strategies in Higher Education Institutions.

The matter is submitted to the IQAC for consideration and for initiating appropriate measures towards the implementation of the UGC guidelines in the institution.

Decision : IQAC deliberated on the matter and decided that Director, EOC shall study the guidelines issued by the UGC on various disabilities and prepare a suitable proposal for implementation at DTU, which shall be presented in next IQAC meeting.

[Action: Director, EOC]

Agenda 15.11 : Bi-Monthly Data Collection

Decision : The matter regarding the incomplete data/information provided in bio-monthly data is leading to lot of difficulties in compilation of the data to be sent to various offices/accreditation agencies from time to time.

It was decided that IQAC shall issue a letter to all the concerned departments that have not submitted the required bi-monthly data, directing them to expedite the process and submit the pending data at the earliest. All the academic departments

are requested to shall ensure timely submission of data henceforth as per the prescribed schedule.

[Action: HODs]

Agenda 15.12 : Presentation of customized MIS to streamline data collection

It is submitted to IQAC that customized MIS to streamline data collection has been prepared and video presentation will be given by Dr. Pawan Singh Mehra/Dr. Anurag Goel, Coordinator, IQAC.

Decision : The customized MIS for streamlining data collection was presented by Dr. Pawan Singh Mehra. It was informed that a separate meeting with the Hon'ble HVC and other concerned stakeholders is scheduled to discuss the other requirements such as security measures, data security requirements, and deployment of the customized MIS. The matter will be taken forward after the meeting.
