Dear Mr. Pal:

We are pleased to inform you of your admission for graduate study in Business and Technology beginning with the Spring Semester 2024. All new students must attend the International Student Orientation. Information about orientation will be emailed to you by the International Students and Scholars Office (ISSO), or visit <https://www.isso.iastate.edu/new-student-orientation>.

If you indicated on your application that you would be applying for a student visa, the Certificate of Eligibility (Form I-20 or DS-2019) has been enclosed. Please check it carefully to make sure that the information is accurate and notify us immediately if any corrections are necessary.

If you indicated that you are currently attending another school in the US, a new Iowa State University I-20 Form cannot be issued until AFTER your current institution releases your SEVIS record to Iowa State University (the release date is usually on or after the last day of classes). In addition to requesting your current school to release your SEVIS record, you must also complete the I-20 SEVIS Transfer to ISU e-Form available under the Student Services tab in CyStart at [cystart.its.iastate.edu](https://cystart.its.iastate.edu). You will have to login through the Limited Services link on the right side of the page. Iowa State must have this e-form completed by you and your International Student Advisor at your current school before you begin classes at Iowa State.

Your admission is conditional pending our receipt of official final academic records from your previous institution(s). (Uploaded and e-mailed documents are not official.) Final records must be received by our office before you will be allowed to enroll in classes at Iowa State. If you are a current ISU student, this will be handled internally for you. If you anticipate any difficulties in meeting these requirements, please contact the Office of Admissions for assistance. You can reference information regarding official academic records on the enclosed Official Academic Record Information Sheet.

- If your studies are complete, please contact the Registrar at your previous school(s) and arrange to have official records, including degree certificates, mailed to the Office of Admissions. They must be received within the next four weeks. If you have already had all official academic records sent, you may skip this step.
- If you are still attending classes, when your present study is complete, please arrange to have your final academic record and degree statement sent to our office. Please contact the Registrar at your institution(s) and arrange to have those official records sent to the Office of Admissions within four weeks of the completion of the final term.

If your primary language is not English, you will be given an English placement test upon your arrival in order to determine your need for a course in English as a second language.

Health documentation requirements for new students are provided on the Thielen Student Health Center website at [www.cyclonehealth.org](http://www.cyclonehealth.org). All new students attending Iowa State University are required to submit proof of two immunizations for measles, and international students will also be given tuberculosis screening and a meningitis vaccination after arriving at Iowa State. You will receive a message on AccessPlus that provides a link to the online Immunization Submission System which allows you to upload scanned copies of your immunization documentation. These must be received no later than one month before the beginning of the semester. A health insurance policy to help defray the costs of health care or unexpected hospitalization is required for all international students and any family members who accompany them. If you have already attended Iowa State University, you can skip this step. Further information on the health insurance program is also available on that website.

Our Department of Residence website (<http://www.housing.iastate.edu/>) provides you with information about the various types of housing offered. Preference in housing assignments is based on the dates the housing contract is received, so the earlier you return the contract to the Department of Residence, the more likely you are to obtain your housing preferences.

Please keep this office and your department informed of any change in your plans. We look forward to your joining us at Iowa State.

Sincerely,

William R Graves  
Dean of the Graduate College

Dear Mr Puri,

The Secretariat of the International Atomic Energy Agency (IAEA) is pleased to inform you that your designation by the IAEA as a participant in the **Annual Meeting of the International Nuclear Security Education Network** (hereinafter referred to as "event") at its Headquarters in Vienna, Austria, from **17 to 21 July 2023** has been accepted by your Government.

The purpose of the event is to review and revise the International Nuclear Security Education Network (INSEN) action plan, and to discuss cooperation and collaboration with the International Network for Nuclear Security Training Support Centres (NSSC Network).

The event will be held in English.

The event will commence at 10:00 a.m. on Monday, 17 July 2023, in Board Room A, Building M, of the Vienna International Centre (VIC). You are requested to arrive at Checkpoint 1/Gate 1 of the VIC one hour before the start of the event on the first day, in order to allow sufficient time for your grounds pass to be issued, as such passes are necessary for official visitors to the VIC.

The IAEA will provide you with a lump sum equivalent to €2 606.50 for the travel expenses to and from Vienna, Austria, and for living expenses, including incidentals, connected with the event. You will be fully responsible for making your own travel arrangements and for cancellation costs, if any. This amount has been calculated on the assumption that you will stay for the total duration of the event. Should this not be the case, you would be requested to reimburse the IAEA for the appropriate difference.

It should be noted that compensation is not payable by the IAEA for any damage to or loss of personal property. The IAEA also does not provide health insurance coverage for participants in IAEA events. Arrangements for private insurance coverage on an individual basis should therefore be made. The IAEA will, however, provide insurance coverage for accidents and illnesses that clearly result from any work performed for the IAEA.

Kindly note that the IAEA may grant you the status of Expert within the meaning of Article XVI, Section 42 of the Headquarters Agreement, and/or Expert on Mission for the Agency within the meaning of Article VII of the Agreement on the Privileges and Immunities of the Agency, as it determines.

It is a condition of your acceptance that you refrain from disclosing any industrial secret or other confidential information made known to you by reason of your participation in this event, and that you exercise the utmost discretion with regard to all matters related to your participation as an expert.

In this regard, you are kindly requested to complete and sign the attached *Confidentiality Undertaking for Non-Staff Members* and to return it to me (Email: [O.Hakam@iaea.org](mailto:O.Hakam@iaea.org)) in my capacity as the Scientific Secretary of the event prior to the start of the event. A breach of your obligation not to disclose confidential information without appropriate authorization, as provided for under the attached Confidentiality Undertaking, may result in the initiation of legal proceedings against you and that, for such purposes, the Director General may waive any immunity which may pertain to you.

The IAEA values the privacy of all event participants. For the purposes of collaboration and information sharing, the IAEA may share a list of event participants with other event attendees. This list may include the following personal data: name, country, institute or affiliation, address, telephone number and email address. Exclusion from this list is available upon request. Unless otherwise expressly agreed in writing by an individual event attendee, further dissemination of the list to third parties is not permitted.

I would be grateful to receive a reply at your earliest convenience as to whether you are in a position to accept this invitation.

Yours sincerely,
