Subject: Request for Gender Audit and Action Taken Report for NAAC Criteria 7

Dear Madam,

As part of our university's ongoing preparations for the National Assessment and Accreditation Council (NAAC) evaluation, particularly under Criteria 7, which focuses on institutional values and best practices, we would like to request the Equal Opportunity Cell to conduct a comprehensive gender audit.

This audit will help in evaluating gender sensitivity and inclusiveness across various departments and activities in the institution. Additionally, we kindly request the cell to provide us with an Action Taken Report (ATR) based on any previous gender audits, if available, or to compile an ATR based on the current findings.

Your report and recommendations will be vital in demonstrating our institution's commitment to gender equity and will play a crucial role in meeting the requirements for NAAC Criteria 7.

We appreciate your assistance in this matter and look forward to your positive response.
Thank you for your cooperation.

INDEX

Item No.	Description	Page No.
Agenda 51.1	Opening remarks by the Vice Chancellor.	2 – 6
Agenda 51.2	Confirmation of the Minutes of 50 th meeting of the Board of Management held on 14.03.2024.	7
Agenda 51.3	Action taken report on the decisions taken in the 50 th meeting of the Board of Management held on 14.03.2024.	8 – 16
Agenda 51.4	Regarding transfer of Security Deposit from students to DTU Corpus Account.	17
Agenda 51.5	Approval of the minutes of the meeting(s) of promotion under Career Advancement Scheme (CAS) of DTU faculty members in the various departments of DTU.	18 – 21
Agenda 51.6	Engagement of Security Guards in DTU through nominated/ approved Government agencies/ PSUs.	22 – 23
Agenda 51.7	Engagement of Manpower (Highly Skilled, Skilled, Semi-Skilled & Un-Skilled) in DTU through nominated/ approved Government agencies/PSUs.	24
Agenda 51.8	To enhance the imprest amount from Rs. 50000/- (existing) to Rs. 1.5 Lacs (proposed) to purchase medicines and for other sundry expenditures in University Health Centre.	25
Agenda 51.9	To adopt procedure for admission in Ph.D programme as per UGC Regulations 2022.	26 – 27
Agenda 51.10	Revision of R. 12.1 and 12.2 of Ph.D Ordinance, DTU as per UGC (Minimum Standards and Procedure for Award of Ph.D Degree) Regulations, 2022.	28 – 29
Agenda 51.11	Regarding starting of M.Tech by Research Program in DTU from AY- 2024 25.	30 – 32
Agenda 51.12	Regarding Fee of M.Tech by Research Program, DTU.	33
Agenda 51.13	Admission modalities in M.Tech. programs and revised M.Tech. Scheme & Syllabus as per National Education Policy (NEP) 2020.	34 – 37
Agenda 51.14	Duration of DTU Fellowship for full time DTU Ph.D scholars.	38 – 39

Agenda 51.15	Shifting of all the MBA programs from USME to DSM, DTU and revised seat matrix.	40 – 42
Agenda 51.16	In principle approval of the proposal for creation of a new Interdisciplinary Department of Geospatial Sciences and Technology in DTU.	43 – 44
Agenda 51.17	Proposal for introduction of 02-year M.Sc Program in Geospatial Sciences at Multidisciplinary Centre for Geoinformatics, DTU w.e.f. Jul/Aug 2024.	45 – 47
Agenda 51.18	Approval for establishment of Centre of Excellence in Disaster Risk Reduction (COEDRR) in the Department of Civil Engineering, DTU.	48 – 49
Agenda 51.19	Online Executive MBA program to be launched at USME.	50
Agenda 51.20	Approval of Restructuring of Industrial Research & Development (IRD) Office as Research and Development (R&D) Office its Role, Responsibilities and Administrative Structure.	51 – 52
Agenda 51.21	Approval of Roles, Responsibilities and Administrative Structure of Corporate Relationship Office at DTU.	53
Agenda 51.22	Approval of Research & Development Schemes for Faculty.	54
Agenda 51.23	Approval of Policy for Corporate Social Responsibility (CSR) at DTU.	55
Agenda 51.24	Approval of Policy for Chair Professorship at DTU.	56
Agenda 51.25	Approval of Policy for Technology Transfer at DTU.	57
Agenda 51.26	Approval of revised guidelines for evaluation of B.Tech, M.Tech Major Project-II and M.Sc. Major Project.	58 – 66
Agenda 51.27	Approval of Mandatory Publication Requirement for Award of Ph.D Degree –Discipline of Design.	67 – 68
Agenda 51.28	Approval for Establishment of Centre for Community Development and Research.	69
Agenda 51.29	Approval for creation of office of Dean (Digital Education).	70 – 72
Agenda 51.30	Approval for creation of Centre of Executive Education and position of Director and Associate Director.	73 – 74

Agenda 51.31	Approval for Establishment of Nodal Centre of Excellence in Energy Transition.	75
Agenda 51.32	To add 10%-20% Supernumerary seats for girls in all B.Tech programs of DTU.	76
Agenda 51.33	Engagement of Adjunct Faculty, Professor Emeritus, Honorary faculty and Visiting Faculty in the Academic Departments of the University.	77 – 79
Agenda 51.34	Clearing/ Closing the Probation period of the Assistant Professor(s) appointed in DTU.	80
Agenda 51.35	Nomination of members for Planning Board of the University.	81
Agenda 51.36	Updation and Revision of DTU House Allotment Rules.	82 – 85
Agenda 51.37	Matter for Ratification: i. Record retention policy of digital content related to Admission Test in various programmes. ii. Extension of period of Teaching and Non-Teaching staff of DTU. iii. Extension of period of contract of Contractual faculty in DTU. iv. Extension of period of contract of Assistant Professors (on contractual basis) in DTU. v. DTU Innovation and Start-Up Policy for Faculty and Students. vi. Revision of Fee for Issue/ Attestation/ Verification of various types of certificates. vii. Probation Clearance/Closing in respect of Dr. Aditya Kaushik, Assistant Professor.	86 – 91
Agenda 51.38	Matter for Information. i. Relieving of non-teaching staff of the University. ii. Joining of teaching staff of the University. iii. Demise of Non-Teaching Staff while in service.	92
Agenda 51.39	Any other item with the permission of the Chair.	93
Supplementary Agenda 51.40	Revised Fee Structure for AY 2024-25.	93
Supplementary Agenda 51.41	Ex-Post Facto approval for starting M.Des with specialization in 'Transportation and Service Design' and 'Lifestyle and accessory design' from the year 2022-23 onwards.	93 – 94
	ANNEXURE	1 – 132

Agenda 51.32 : To add 10%-20% Supernumerary seats for girls in all B.Tech programs of DTU.

It was well-known that women are under-represented in Engineering field. It becomes crucial to address the lack of gender balance in engineering and the factors causing it. To address the issue of under-representation of female students in all the IITs, the Union Ministry of Human Resource Development, introduced the concept of '**Supernumerary seats**' for women in 2018. Presently IITs, NITs and NSUT are having 20% supernumerary seats for girls. This has improved the number of girl students in these institutes.

DTU also has a very poor gender ratio specially in engineering programs, with average number of girl students only about 6.5% in last four years. Taking cue from the positive experience of the institutes having the provision for Supernumerary seats for girls, it is proposed that DTU may also have 10% - 20% Supernumerary seats for girls in all the B.Tech programs in line with NSUT. This is also as per NEP guidelines. In this regard, as both NSUT and DTU have joint counselling, it was also proposed that the NSUT policy for admission of girl students under Supernumerary seats may be adopted.

The proposal was placed before the Academic Council in its 39th meeting held on 19.06.2024. The Academic Council considered and approved the proposal in principle. The Council also recommended the proposal to the Board of Management for approval to add 10%-20% Supernumerary seats for girls in all B.Tech programs of DTU.

Decision : The Board of Management considered the recommendations of the Academic Council and approved in principle to add 10%-20% Supernumerary seats for girls in all B.Tech programs of DTU w.e.f. AY 2025 – 26.

REPORT

"International Women's Day"

Organized by Equal Opportunity Cell, DTU
in collaboration with Institution's Innovation Council, DTU
On 14th March, 2024

An event on "International Women's Day" was successfully organised by Equal Opportunity Cell jointly with the Institutions Innovation Council (IIC-DTU), Internal Complaint Committee (ICC-DTU), Department of Applied Mathematics, Department of Environment Engineering and Department of Electrical Engineering on 14th March 2024. The event was graced by the auspicious presence of Prof. Prerna Gaur (Director, NSUT West Campus), Dr. Prerna Lakhwani (Gynecologist and Oncologist, Fortis Hospital, Delhi), Prof. Uma Nangia (Chairperson, ICC, DTU and Professor, Prof. Rachna Garg (Head, Electrical Engineering Department, DTU & Former Director, EOC, DTU), Prof. Anjana Gupta (Director, EOC, DTU), Prof. Mini, Dr. Shilpa Pal, Dr. Bhavnes Jaint, Dr Geeta Singh (Assistant Director, EOC, DTU and Assistant Professor, Department of Environment Engineering) and Dr. Payal.

The event aimed to celebrate women's achievements while shedding light on the challenges they face in society. It sought to empower women by providing them a platform to discuss their roles in shaping the future of "Viksit Bharat @2047" and raising awareness about the importance of women's health. Participants from diverse backgrounds, including various departments and age groups, came together to advocate for gender equality and promote discussions on women's pivotal role in our nation's advancement and progress.

The event commenced with the rendition of the National Anthem, and thereafter, the distinguished guests in attendance participated in a ceremonial lamp-lighting session to mark the inauguration. Prof. Prerna Gaur highlighted the untapped potential of women as catalysts for progress and innovation, stressing the importance of providing them with equal opportunities for growth and advancement. Through an interactive address, attendees gained a deeper understanding of the significance of women's contributions to society and the importance of prioritising their growth. Subsequently, Dr. Prerna Lakhwani, a distinguished gynaecologist and oncologist, delivered a powerful message on the critical importance of health and cancer awareness in women. With profound expertise and compassion, Dr. Lakhwani underscored the significance of early detection, prevention, and comprehensive healthcare in combating various forms of cancer that affect women. Dr. Geeta Singh concluded the event with her closing remarks, expressing gratitude to the esteemed dignitaries for their significant contributions and participation.

Over 65+ participants attended the awareness program and interacted attentively with the dignitaries.

Objectives

- Providing a platform for women to discuss their roles in shaping the future of "Viksit Bharat @2047" aimed to empower them and highlight their significance in national development.
- Celebrate women's accomplishments while recognising the challenges they encounter in society, and educate attendees about the critical importance of health and cancer awareness in women.
- To provide a platform for open dialogue and interaction among participants, encouraging discussions on important issues related to gender equality, women's health, and societal progress.
- Fostering a campus culture that values respect, inclusivity, and well-being aimed to promote a harmonious and productive academic community.

Benefits

- Inspiring leadership and innovation in women to harness their skills and capabilities to drive positive change in society and contribute to the development of the nation as a whole.
- Spreading awareness among women and equipping them with the knowledge and tools necessary for early detection, prevention, and management of various women's health issues including cancer.
- Inspiring attendees to become advocates for gender parity and to actively work towards creating a more equitable and inclusive society for all individuals, regardless of gender.
- By bringing together participants from various departments and age groups, the event fostered a sense of inclusivity and unity, breaking down barriers and promoting collaboration among individuals from diverse backgrounds.

Report

2nd One Day International E-Symposium

On

'WOMEN IN SCIENCE'

Under the vision of *Viksit Bharat@2047*

11th February, 2024

Department of Biotechnology

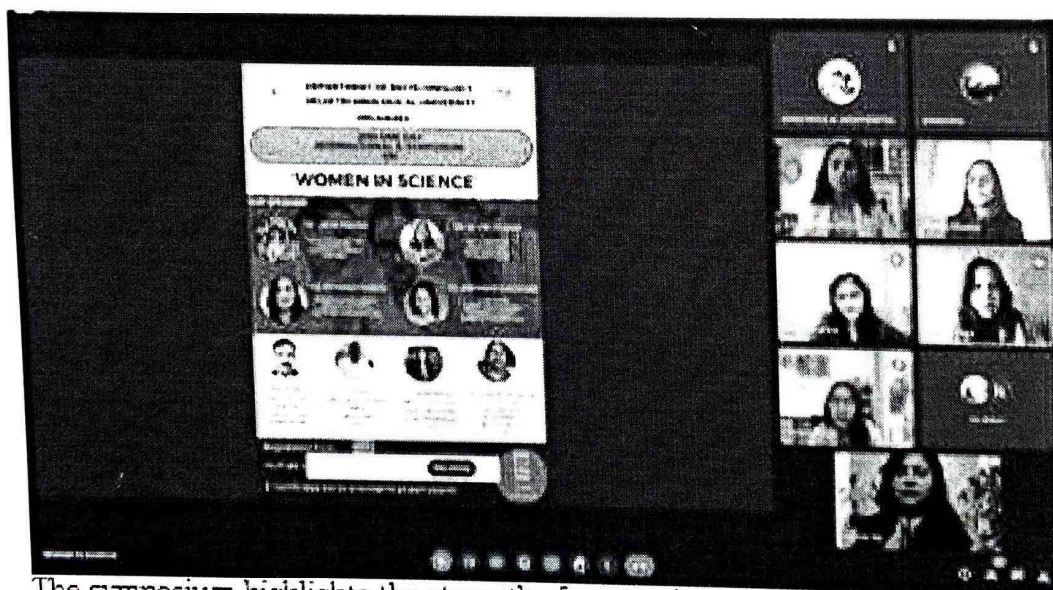

Delhi Technological University

Main Bawana Road, Shahbad Daultpur,

New Delhi

Under the visionary initiative of Viksit Bharat@2047, We celebrate the strength of Women who has made significant contributions to the field of science throughout history, despite facing numerous obstacles and barriers. From ancient times to the modern era, women have pursued scientific knowledge and breakthroughs in various disciplines, including physics, chemistry, biology, mathematics, and astronomy. In recent decades, efforts to promote gender equality and inclusivity have led to greater representation of women in science. Organizations and initiatives focused on supporting women in STEM (Science, Technology, Engineering, and Mathematics) fields have emerged, advocating for equal opportunities, mentorship, and recognition for female scientists.

The symposium highlights the strength of women in today's world and how they are doing commendable in their fields. In Viksit Bharat 2047, women in science could be leading groundbreaking research, making significant contributions to various scientific disciplines, and holding influential positions in academia, industry, and government. With diverse perspectives and talents, women scientists would collaborate with their male counterparts to address pressing challenges facing society, such as climate change, healthcare, energy, and technology innovation.

WOMEN IN SCIENCE - Guiding the youth to achieve Viksit Bharat @2047:

11TH February, 2024

On 11TH February, 2024, there were more than 100 registered participants who attended the remarkable lectures in Committee Room, Department of Biotechnology, Delhi Technological University which included speakers, faculty members, staff and students. The list of the participants who attended the symposium has been attached with the report at the end.

- **Dr. Vidhu Sharma**, Research Operation Manager, The University of British Columbia

Topic: *"Building Bridges: From Lab coats to biomedical research management"*

- **Dr. Anjana Nityanandam**, Director of Operations, Stem Cells Lab, St.Jude Children's Research Hospital, Memphis, Tennessee, USA.

Topic: *"Neurobiology and immunology"*

- **Dr. Kavita Khanna**, Campus Director, Delhi skill and Entrepreneurship University, New Delhi, India

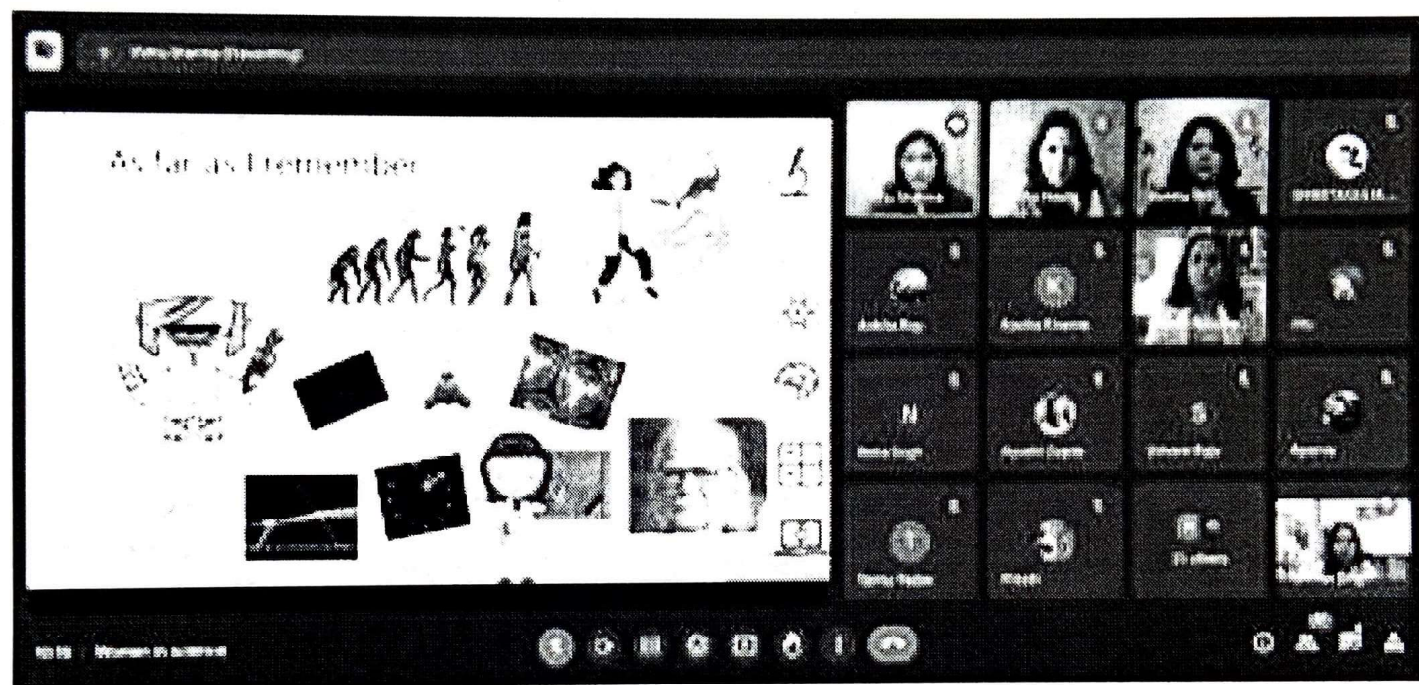

Topic: *"Emerging trends in Artificial Intelligence"*

- **Ms. Priyanka Tandon**, Senior manager, cross industry business development cloud solutions, Salesforce, USA.

Topic: *"Women Breaking Barriers - Empowering women in Technology"*

The lecture on "*Building Bridges: From Lab coats to biomedical research management*" by Dr. Vidhu Sharma was truly enlightening and left an indelible mark on our minds.

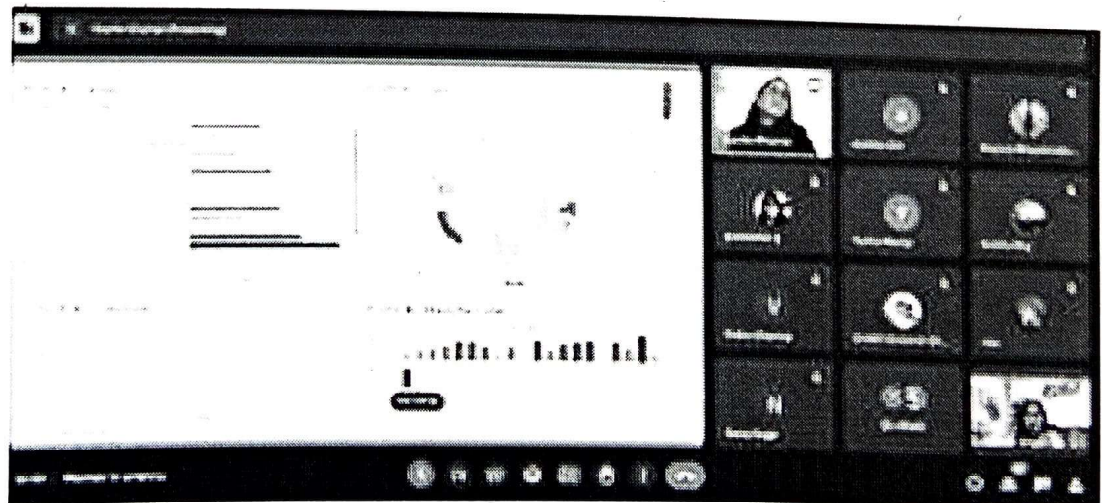

Dr. Vidhu Sharma

The lecture on '*Neurobiology and Stem Research*' by Dr. Anjana Nityanandam was very engaging and informative. Her journey truly inspired all the students and provides the guideline.

Dr. Anjana Nityanandam

The lecture on '*Emerging trends in Artificial Intelligence*' by Dr. Kavita Khanna, gave an insightful knowledge on artificial intelligence and tools for data handling such as Tableau.

Dr. Kavita Khanna

The lecture concluded with a lively Q&A session, where students actively participated and gained insights about women in science. Dr. Asmita Das, the convener of the symposium, delivered the Vote of Thanks, expressing gratitude to esteemed speakers for their profound lectures, Prof. Yasha Hasija, Head of Department, Biotechnology, for being a source of inspiration, faculty members, staff and students for their valuable contribution.

Overall, the guest lectures provided valuable insights about the journey of women in the realm of science and their contribution towards the research. The efforts of Department of Biotechnology in organizing this event were commendable, and we anticipate more enriching lectures in the future.

Women in science

Vidhu Sharma (Presenting)

Traditional ancestral and unceded territory of the Coast Salish peoples — xʷməθkʷəy̓əm (Musqueam), Skwxwú7mesh (Squamish), and Selilwətaʔ/Selilwitulh (Tsleil-Waututh) Nations — is acknowledged by the University of British Columbia and the City of Vancouver.

Samridhi'24

On January 19, 2024 NSS DTU organized a panel discussion on Empowering Women and Child Development. Esteemed panellists, including Prof. Charru from IIPA, illuminated the path towards women and child development. Prof. Charru, a luminary in her field, passionately advocated for the integration of technology in empowering women, underscoring the pivotal role of awareness and nutrition literacy. Dr. Nidhi, a distinguished gynaecologist and IVF specialist, elucidated the significance of nutrition and health practices in the empowerment journey.

The discourse continued with Prof. Sanjay, a seasoned psychologist, delving into the paramount importance of mental well-being, offering daily practices for sustained empowerment. Meenakshi Shahi, the illustrious Director of CSRL, brought forth the indispensable role of education in the empowerment of women and children.

DAY CARE CENTRE

Kidz Den

For Children of Faculty, Officers and Non-Teaching Staff

About Us

Delhi Technological University Day Care Centre (DTU-DCC) - **Kidz Den** for the children of Faculty, Officers and Non-Teaching Staff of Delhi Technological University is fully functional.

Location

The facility is located facing the entrance play ground in the university's main campus.

Objective

The objective of the Day Care Centre is to provide the Faculty, Officers and Non-Teaching Staff of DTU the facility of keeping their children under good care during the working hours right inside the university campus. The members of the university community had long demanded establishment of a Day Care Centre in the campus so that they can work with peace of mind and can access their children quickly in case of emergency. Apart from taking good care of the enrolled children, one of the key objectives of the Centre is also to involve the children in various activities thereby enhancing their motor and cognitive skills. The Day Care Centre could turn out to be an important learning ground to teach the child a whole lot of lessons in socialization that could turn out to be invaluable in later life.

Facilities to be provided at the Day Care Centre

A CCTV Enabled Centre with three newly renovated air- conditioned rooms with furniture and other accessories, well equipped kitchen with refrigerator, microwave oven, water purifier and all other necessary items and two rest-rooms. Some of the main features of Day Care Centre are:

CCTV access to parents allowing a live streaming facility where the parents' can view the centre's happenings.

A colourful play area for children with fencing in front of the centre.

Activity toys, books and riders for kids of all age groups.

Baby beds and bouncer/rockers.

Two child care attendants.

Basic medical services to the wards of the Day Care Centre can be provided by the University Health Centre, if such need arises at the Centre during working hours.

TIMINGS

8:30 am to 5:00 pm
Monday to Saturday

HOLIDAYS

Sundays and all
University holidays

AGE GROUP

1 to 7 years

Fees Policy

Fees must be paid to Registrar, DTU till 10th of every month. Fees are based on enrolment not attendance (NO fee decreases for sick/missed days or statutory holidays).

One time registration fees (non-refundable): ₹ 800

**If kid stays Full Day in
Day Care Centre**

₹ 1000/Child/month

₹ 1600 upto two siblings/month

**If kid stays Half Day in
Day Care Centre**

₹ 600/child/month

₹ 1000 upto two siblings/month

**If one kid stays Half Day in
Day Care Centre and
other child avails full day then**

₹ 1400 upto two siblings/month

**Fees for 15 Days irrespective of
the time spent (no registration)**

₹ 700/child

₹ 1200 upto two siblings

Mode of Payment of Fees

Payment of fees is accepted only through DD/Pay Order in favour of "The Registrar, DTU".

Some Important Rules

- a. Those who want to avail the Day Care facility need to take an approval from Registrar office through DCC committee and submit the form along with the prescribed fees before bringing their ward to the Day Care Centre.
- b. In case, someone wants to withdraw their ward from the Day Care Centre, they need to inform the registrar office, accounts and the DCC committee and need to submit the fees up to the date, the Day Care facility was availed.
- c. The Day Care Centre has maintained a register to record the fee payment, parent's contacts, suggestions/complaints and wards in/out timings, kindly do the needful when you bring your ward to the facility.
- d. Parents should send healthy food in hygienic containers with child's name on each container. Food will be heated if required, but no food will be cooked at the Centre.
- e. The parents need to provide an attendant who will be solely responsible for taking care of the infant (12-24 months) admitted to the Day Care Centre.
- f. All the queries of the parents will be attended on phone during working hours. Regular attendance at the Day Care Centre is extremely important for your child to settle in well. Routine becomes part of your child's day. You are welcome to visit your child in the Day Care at any time.

Immunization Policy

DTU-DCC is required to keep an up-to-date copy of each child's immunization record. Upon enrollment the daycare staff will ask for a current immunization record for every child.

- If a parent has decided not to have their child inoculated, the following procedures then apply:
 - The parent will provide a signed and dated letter stating that they have chosen not to immunize their child and that they understand the importance of immunizations, side-effects and dangers of not being immunized.
 - If an outbreak occurs, the parent will be asked to remove the non-immunized child from the centre until it has been determined that the child's health is no longer at risk.

Clothing Policy

As the children participate in a variety of indoor and outdoor play activities each day, it is helpful if your child wears washable, comfortable clothing that is appropriate for the weather.

Please provide:

- One change of clothes
- An adequate supply of diapers, pull-ups and wipes
- Warm outdoor clothes (mittens, hat, boots) in the Fall and Winter
- Sun hats, boots and raingear in the Spring and Summer

Release of Children Policy

A child will be released only to the parent or his/her legal guardian unless otherwise indicated on the registration form.

1. The staff must be notified in writing of any alternate arrangements.
2. Picture identification will be required if that person is not known to the daycare staff.
3. Children will not be released to anyone under the age of 12.
4. It would be the responsibility of the guardians to pick up their respective wards by 5:00 pm sharp.
5. Children suffering from fever or a contagious illness cannot come to Day Care Centre.
6. In the event of kids falling ill during the working hours, it is parent's responsibility to take them home upon communication and provide them medications.
7. The Day Care Centre is not liable for the loss or damage of personal belongings.
8. Costs incurred by the parents due to an exceptional closure of the Day Care Centre cannot be claimed back from the Day Care Centre.
9. The parents will have a monthly meeting (First Friday of every Month) with Day Care Committee to discuss the issues regarding the betterment/improvement of the Day Care Centre.

Attendance Policy

Regular attendance at the Day Care Centre is extremely important for your child to settle in well. Routine becomes part of your child's day. You are welcome to visit your child in the daycare at any time.

Criteria for Admission to Day Care Centre

Criteria for Admission to Day Care Centre-**Kidz Den** established in DTU. The admission of the ward would be as per First Come-First Basis Category-wise and the availability of seats depending upon where

Category-I: Both parents are working and either of them is a regular staff of the University

Category-II: Both parents are working and either of them is a contractual staff of the University

Category-III: Either parent is working and he/she is a regular staff of the University

Category-IV: Either parent is working and he/she is a contractual staff of the University

The admission of the ward would be as per First Come-First Basis Category-wise i.e. if the applications received in Category-I fills the number of available seats, applications belonging to other categories won't be considered. If there are less applications in Category-I, the applications in Category-II would be considered. Further, if still there are vacant seats, applications in Category-III will be considered and so on.

Virangana Lakshmi Bai Hostel

VIRANGANA LAKSHMIBAI

Virangana Lakshmi Bai was the queen of the princely state of Jhansi, which is located on the northern side of India. She is known for her significant role in the first war of India's independence of 1857, against the rule of the British East India Company. Lakshmi Bai was born as Manikarnika Moropant Tambe on 19 November 1828 in Varanasi, northern India. She became the Queen of Jhansi and was then known as Lakshmi Bai, upon her marriage. At the tender age of 18 years, she bravely bore the tragedy of widowhood. In the 1857 war, Maharani strapped her son to her back to ensure her kingdom's safety and fought against the troops with a sword in each hand, thus was her heroism and valour. This unimaginable bravery combined with her leadership broke several shackles for women and continues to inspire millions of us. Maharani Lakshmi Bai died like a heroine at the young age of 29 and was amongst the most contributing characters.

While exposure to literacy and the art of warfare was not accessible for most women, her parents ensured she became well-versed in the art of statesmanship and warship very early in life. She was the embodiment of women's empowerment. Her tale depicts the latent feminine potential which is yet to come out. For women today, she is the idol of empowerment and equality. She stands out as the epitome of courage earning her the title of "Virangana", immortalized by the famous poetess Subhadra Kumari Chauhan's ballad in her praise – 'Khoob Ladi Mardani Woh acto Jhansi Wali Rani Thi'.

The female students' hostel, named in her memory is a fully air-conditioned 11-storey building comprising of 2 Blocks. The hostel was inaugurated in 2022 marking the 75th year of Indian independence.

Hostel Facilities: AC, Pool Table, Table Tennis, Fitness Equipment, Internet, Geysers for hot water, Water Cooler etc.

Total Seats: 660

Sister Nivedita Hostel

SISTER NIVEDITA

(1867 - 1911)

Sister Nivedita was a dynamic philosopher whose life was a saga of service and sacrifice. She was born on October 28, 1867. Known as Margaret Nobel in her younger days, she was highly influenced by the teachings of Swami Vivekananda and came from distant Ireland to India to serve the people of this land. She was given the name “Nivedita” as one dedicated to God. She completely identified herself with the people and served the nation in various ways, in teaching, social reform, nationalism, relief work, journalism, art and architecture. In March 1899, when a devastating plague broke out in Calcutta, Nivedita formed a committee of social workers and literally saved hundreds of victims from the jaws of death, staking her own life in the process. She was a great intellectual and moral force behind the great Swadeshi Movement which came in the wake of the Partition of Bengal in 1905.

Sister Nivedita was an ardent patriot and a Karma-yogi of the Vivekananda brand. She was indeed a nationalist of nationalists. Her breadth of outlook, curiosity, courage, self-discipline and enthusiasm were without a parallel. She was looked upon as a luminous elder, leader and pioneer. Rabindranath Tagore called her ‘Mother of the people’. He once said: “She is to be honored not because she was like us, but because she was greater than we...”

Sister Nivedita Hostel for girl students was started in the year 1999. Hostel Facilities: Total Rooms:

Hostel Facilities: Mess, Badminton Court, Internet, Television, Geysers for hot water, Water Cooler etc.

Total Seats: 96

Kalpana Chawla Hostel

KALPANA CHAWLA

(1961 - 2003)

Dr. Kalpana Chawla, born in Karnal, Haryana, India. Kalpana in Hindi means “imagination”. Her interest in flying was inspired by the India’s leading industrialists, J.R.D. Tata himself, a pioneering Indian pilot. She met and married Jean-Pierre Harrison, a flying instructor and aviation writer, in 1983 and became a naturalized United States citizen in 1990.

Kalpana earned her B.E. degree in aeronautical engineering at Punjab Engineering College Chandigarh (1982) and moved to the United States in 1982 and obtained a M.S. degree in aerospace engineering from the University of Texas at Arlington (1984). Kalpana went on to earn a second M.S. degree in 1986 and a Ph.D. degree in aerospace engineering in 1988 from the University of Colorado at Boulder.

Later that year she began working for NASA Ames Research Center as Vice President of Overset Methods, Inc. where she did CFD research on V/STOL. She held a Certificated Flight Instructor rating for airplanes, gliders and Commercial Pilot licenses for single and multiengine airplanes, seaplanes and gliders.

She joined the NASA astronaut corps in March 1995 and was selected for her first flight in 1998. Her first space mission began on November 19, 1997 as part of the six astronaut crew that flew the Space Shuttle Columbia flight STS-87. She was the first Indian-born woman and the second person of Indian origin to fly in space. During STS-87, she was responsible for deploying the Spartan Satellite which malfunctioned, necessitating a spacewalk by Winston Scott and Takao Doi to capture the satellite.

The Space Shuttle Columbia met with a fatal accident on its return path while entering the earth atmosphere on February 1, 2003.

Dr. Kalpana Chawla shall continue to inspire engineering aspirants around the world for her exemplary courage, extraordinary capabilities and her love for space explorations. Hostel Facilities: Total Rooms:

Hostel Facilities: Internet, Television, Geysers for hot water, Water Cooler etc.

Total Seats: 45

4.	<p>General discussion and definition of the following: -</p> <p>a. Khyāl, MaseetKhani – Razakhani gat, Dhrupad, Tarana, Meend, Soot, Murki, Kan, Khatka, Krintan, Harmony, Melody.</p> <p>b. REPORT

on

"Anti Ragging"

Organized by Equal Opportunity Cell, Electrical Engineering Department &
Environmental Engineeringg Department,

Delhi Technological University

On 18th August, 2023

An awareness program on "Anti Ragging" was successfully organized by **Equal Opportunity Cell(EOC)**, DTU jointly with the **Department of Electrical Engineering & the Department of Environmental, DTU** on **18th August 2023**. The event was graced by the august presence of **Prof. Madhusudan Singh**, (Registrar, DTU), **Prof. Narendra Kumar** (Director, NSUT East Campus), **Prof. Rajeev Chaudhary** (Dean, Student Discipline, DTU), **Prof. Rachna Garg** (Director, EOC, DTU & Head, Electrical Engineering Department), **Prof. Rajeshwari Pandey** (Dean, Academics UG), and **Dr Geeta Singh** (Assistant Director, EOC, DTU and Assistant Professor, Department of Environmental Engineering).

The event aimed to make students aware of the negative consequences, sensitize them about the issue and prevent cases of ragging. It also helped participants recognize different forms of ragging and how to tackle and report this issue. A diverse group of students attending the event ranging from various departments attended the event and had shown keen interest in maintaining the University as a place with "**ZERO TOLERANCE**" for cases of ragging.

The event was inaugurated with the auspicious National Anthem, followed by the lamp-lighting session by the esteemed dignitaries present. The dignitaries delivered keynote speeches on preventing such acts, raising awareness to identify acts of ragging and having a cultural transformation to ensure a safe environment for all the stakeholders. The closing address was delivered by Dr Geeta Singh, thanking the dignitaries for their valuable participation.

A good number of participants attended the awareness program and interacted attentively with the dignitaries.

The program was all success.

(Prof. Rachna Garg)

REPORT
"International Women's Day"
Organized by Equal Opportunity Cell, DTU
in collaboration with Institution's Innovation Council, DTU
On 10th March, 2023

"International Women's Day" was successfully organized by Equal Opportunity Cell, DTU in collaboration with Institution's Innovation Council, DTU. **The chief guest & Keynote speaker** of the event was **Dr. (Prof.) Nirmala Singh**, Principal, College of Nursing, R.M.L. Hospital, New Delhi. She has been awarded with the National Florence Nightingale Award by **Hon'ble President of India, Shi Pranab Mukherjee ji**, and has been awarded the Best Employee of the year twice, once in 2014-2015 and again in 2016-2017. She has also been awarded the title of The Best Nursing Administrator & Nursing Educator in 2015. Dr. Singh is a member of several committees and boards, including the expert group on developing patient safety implementation framework for India by DGHS, MOHFW, GOI - WHO Project, the Nursing Examination Committee at I.P. University, and the Bioethical Committee at UNESCO. The **succeeding speaker** of the event was **Dr. Reena Arora**, a renowned Ayurvedic practitioner and a frequent speaker at All India Radio and DD National. She is also the brand ambassador of Baidyanath Sundri Sakhi. Dr. Arora has received several accolades for her contributions to the field of Ayurveda, including the Rashtriya Nari Shakti award and the outstanding paper award from Valdyratnam.

The event was graced by the auspicious presence of **Prof. S. Indu** (Dean, student welfare, DTU), **Prof. Rajeshwari Pandey** (Dean, UG, DTU), **Prof. Priya Mahajan** (Associate Dean UG, DTU), **Mrs. Divya Narayan** (Head, Computer Centre DTU), **Prof. Rachna Garg** (Director, EOC, DTU & Convener) and **Dr Geeta Singh** (Assistant Director, EOC, DTU & Co-convener).

Name of Faculty Coordinator :- Prof. Rachna Garg & Dr. Geeta Singh

Academic Year/Quarter :- Academic Year 2022- 2023, Quarter-2

Program driven By :- IIC calendar Activity

Name of the Event: - International Women's Day

**REPORT
ON
"Gender Sensitivity and POSH Act"**
**Organized by Equal Opportunity Cell, Environmental Engineeringg
Department & Electrical Engineering Department
Delhi Technological University
On 31st January, 2023**

In an effort to sensitize students, staff and Faculty, Equal Opportunity Cell (EOC) of Delhi Technological University (DTU) in association with Department of Environmental Engineering & Department of Electrical Engineering organized an awareness session on the important yet sensitive subject of "**Gender Sensitivity and POSH Act**". The awareness session was conducted by **Ms. Vasudha Mehta**, an award-winning multipassionate entrepreneur, Educator and Coach - in her capacity as the Chief Empowerment Officer of JAAGRUTI Educational Consulting LLP. The informative and interactive 2-hour long session was attended by an engaged audience of close to 100 participants at the jam-packed Pragyan Hall, on 31st January 2023. The Session was facilitated by **Dr. Geeta Singh**, Assistant Director, EOC-DTU and convened by **Prof. Rachna Garg**, Director, EOC-DTU.

Vision & Mission

Vision

To create and sustain the environment in the university which promotes equal human values while respecting the distinct cultural identities.

Mission

To pursue and realise social inclusion and integration of marginalized sections including SC, ST, OBC, women and persons with disabilities (PwD) of the Indian society by identifying and dissuading the different types of discrimination that exist in both conscious and unconscious social behaviour. It also aims to contribute to the creation of a society that is free of discrimination and prejudice, and to promote good relations and foster a vibrant human rights culture.

Equal Opportunity Cell

Objectives

The main objectives of the cell are

1. To work out suitable programs/ schemes, including Remedial Courses, for improving the academic performance of students from SC, ST, OBC, women and persons with disabilities (whether at undergraduate, postgraduate, PhD or other levels) and/ or to monitor the implementation of such programs/ schemes
2. To coordinate with government and other funding agencies (including Public Sector Undertakings/ Public Sector Banks) with a view to mobilise financial and other resources required for educational empowerment of the students from marginalized sections.
3. To disseminate the information and act as a counselling-cum-guidance centre for students belonging to the marginalized sections, especially with regard to academic, financial and social matters;
4. To help and develop a cordial inter-personal relationship among students and between teachers and the students from marginalized sections for academic interaction and extra-curricular activities; by sensitising the teaching and other staff.
5. To assist in smooth and efficient running of a Resource Centre which specializes in addressing the needs of PwD in all categories including visual, hearing, orthopaedic, and neurological disabilities.
6. To promote a social and psychological environment to raise awareness on sexual harassment and gender based discrimination against women.
7. To organize or conduct seminars/ symposia/ workshops/ conferences/ exhibitions/training program, etc. from time-to-time on issues of contemporary significance for empowering, educationally and culturally, students belonging to the marginalized sections.

NATIONAL SOCIAL SERVICE SCHEME – DTU

Let's Be Aware!

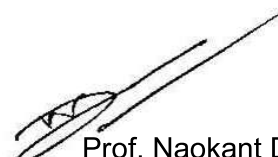

NSS DTU in collaboration with BloodConnect would be conducting a session on Blood Donation Awareness, on the occasion of World Blood Donors Day, which is celebrated every year on 14th June. The guest speaker for the session will be Manisha Singh. Currently working in TCS as a developer, she joined BloodConnect in 2017 and had been one of the first members of the organisation when it was setup in Ranchi.

The aim of the session is to make people understand about the need for blood donation, its acute shortage in India, busting myths related to blood donation and inculcating healthy blood donation habits in the youth of this country.

No. of Attendees : 80

Time: 06:00 P.M.

Date: 13th June 2021

Prof. Naokant Deo
Chairman, NSS-DTU

Benefits of Plant-Based diet

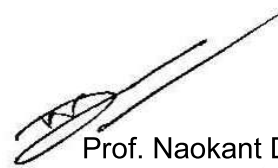

NSS DTU in collaboration with the Federation of Indian Animal Protection Organizations is organizing a webinar on the “Benefits of Plant-Based diet.” The webinar aims to promote a more compassionate and vegan lifestyle, considering its ecological benefits. The webinar would be an interactive one and would conclude with a Plant-based-E-potluck in which students would be required to be ready with a plant-based meal.

The guest speaker for the session is Pareen Sachdeva, who is a PhD Scholar in Development Studies at TISS. She has taken various initiatives to raise awareness about environmental and animal rights issues and has been relentless with her activism. She started a monthly meditation series "10 on 10 on 10", and runs a live audience cooking show to educate people about various vegan recipes. She has actively spoken at various platforms to promote the same.

Date: 20 June 2021, Sunday

Time: 3:00 PM

No. of Attendees : 90

Prof. Naokant Deo
Chairman, NSS-DTU

उम्मीद: एक किरण

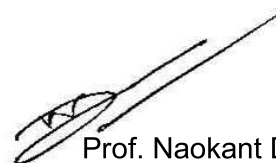

NSS DTU, in collaboration with NSS VNC, would be organizing उम्मीद: एक किरण, a week-long social series to shed light on drug addiction, its consequences and rehabilitation from 26th June 2021 to 4th July 2021.

The newfound freedom of adulthood opens many doors to a person, be it success, happiness, fulfillment, or doom. The ease of access to drugs, peer pressure, and a lack of knowledge about drugs lead many naive and ignorant people to places that are hard to come out from. The physical and psychological aspects of drug addiction, social stigma, and lack of accessibility to affordable rehabilitation make it almost impossible to seek help.

"उम्मीद: एक किरण" aims to cater towards such issues. Multiple events would take place in the span of these eight days, including movie screenings, interactive sessions, group discussions, myth-busting sessions, QnA sessions, storytelling competitions, etc.

The events aim to make people realize the personal, familial and social damage caused by drugs and how to stay away from such negative influences to lead towards a better drug-free future.

No. of Attendees : 50

Prof. Naokant Deo
Chairman, NSS-DTU

Footsteps to Rejuvenation, on emotional management

NSS DTU, in collaboration with ConverCare, is organizing an interactive webinar, Rise: Footsteps to Rejuvenation, on emotional management.

The speaker for the session will be Japneet Kaur Makkar, an RCI licensed clinical psychologist who has worked in different rehabilitation centers, de-addiction centers, and schools in the government and private sectors.

The session aims to cover the emotional management issues faced by young students, like dealing with failures, practicing positivity, and mental health issues like depression and anxiety.

No. of Attendees : 30

Date: 10 July 2021

Time: 6:00 pm

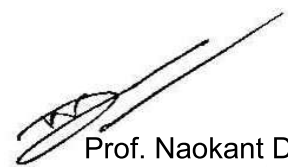

FOOTSTEPS OF
REJUVENATION
COLLABORATING WITH CONVERCARE

Chairman, NSS-DTU

Eco-Artwork

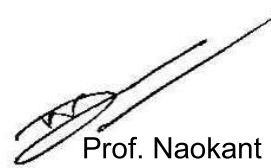

NSS DTU is delighted to celebrate the success of "Eco-Artwork," a poster-making competition, which was organized from 24 September 2021 to 4 October 2021 in collaboration with Learning Tree. The theme for the event was "Green Consumer."

The event concluded with a closing ceremony organized on 10 October 2021, which highlighted how one can become a green consumer by selectively purchasing green products and services. It was followed by the result declaration of the competition. The competition was open to all and witnessed enormous participation from different schools and colleges. In about 190 entries, the enthusiasm and creativity demonstrated by every participant made this event a great success.

Intending to build a sustainable world, NSS DTU aims to nurture the ideas of the youth and create awareness among the masses through such events.

No. of Attendees : 70

Prof. Naokant Deo
Chairman, NSS-DTU

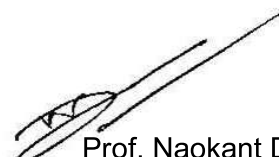

ELI5 - Explain like I am 5

NSS DTU feels delightful to organize "ELI5 - Explain like I am 5," as a part of its Education Month celebration. In this competition, participants have to explain complex concepts to 5-14 years old children in an innovative and engaging manner.

Date and Time: 12 November 2021, 11:30 AM- 1:00 PM

No. of Attendees : 60

Prof. Naokant Deo
Chairman, NSS-DTU

The responsible feeding and deworming of community dogs

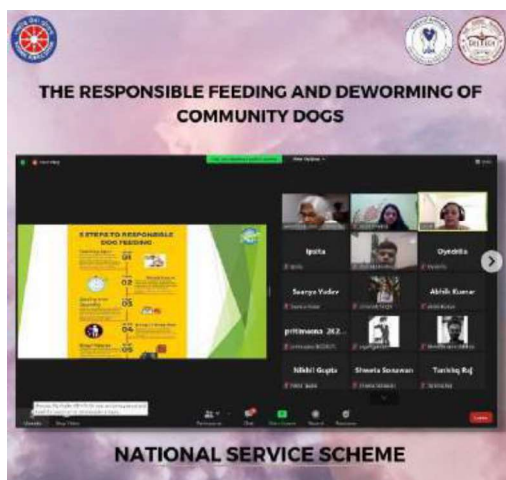

NSS DTU, in collaboration with STRAW India, brings you a webinar on "The responsible feeding and deworming of community dogs" under its initiative Voice of Animals.

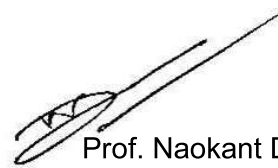

The webinar aims to appeal people to feed stray dogs and raise awareness on the importance of deworming community dogs. The event will be graced by the presence of Preeti Singh as our speaker who works as an advisor in STRAW India and has rescued approximately 200 dogs from adversities.

No. of Attendees : 50

Date: 13 November 2021, Saturday

Time: 3:30 PM-4:30 PM

Prof. Naokant Deo
Chairman, NSS-DTU

The responsible feeding and deworming of community dogs

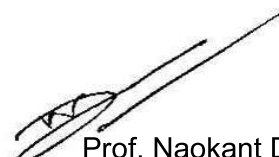

On November 27, 2021, NSS DTU, under its initiative Voice of Animals (VoA), organised a generous "Feeding drive for Community Dogs" at Hauzrani forest in Saket in collaboration with Straw India.

The STRAW India team demonstrated various new methods of feeding that were innovative, practical, and friendly to dogs. This included establishing Dog points (where dogs are fed without any problem), using slabs instead of newspaper/plates to feed, and installing water bowls at each point. They also showed ways of effective documentation to maintain the database of dogs for vaccination purposes. This included keeping the photos and information in an Excel sheet for reference. The initiative was joined by around 25 volunteers.

The Feeding Drive proved both educational and knowledgeable to the volunteers. We, at NSS DTU, venture for opportunities to create a kind and inclusive world for animals, and such initiatives empower our efforts to lead us on the path of selfless service.

No. of Attendees : 25

Prof. Naokant Deo
Chairman, NSS-DTU

Soft Skills and Communication

NSS DTU is organizing an insightful webinar on "Soft Skills and Communication." The webinar will be hosted by a trained specialist in business communication and soft skills, Rishita Aggarwal, who is also an esteemed psychologist, a graphologist, and an art therapist.

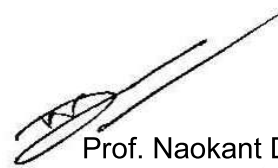

The webinar aims to provide insight into the essentials of verbal and non-verbal communication, the role of communication in job interviews, and the impact of CV, resume, cover letter, and action statement on job applications.

No. of Attendees : 60

Date: 26 December 2021, Sunday

Time : 2:00 PM

Prof. Naokant Deo
Chairman, NSS-DTU

Road Safety Awareness

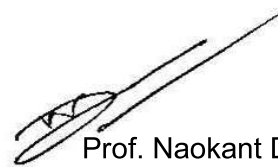

NSS DTU organized an informative workshop and training session on "Road Safety Awareness" on 9 March 2022. Jatin Kataria, the Chief Training Instructor, Honda Motorcycles and Scooter India Pvt. Ltd was the speaker for the event.

The workshop and seminar on Road Safety proved both educational and knowledgeable to the volunteers. The unique 4S concept of Honda's methodology and ideology, including "Safety for everyone" as a part of it, was introduced. The importance of safe riding and every nuance pertaining to it, like types of licences, road signs etc., were conveyed through the use of figures, data, and majorly by a practical demonstration involving students. This was followed by a thrilling driving experience on the simulator.

The physical training program focused on rectifying daily activities related to driving two-wheelers, which people instinctively perform incorrectly to save time. Following the safety protocol, students were given hands-on practice of riding a bike. We, at NSS DTU, vow to spread awareness regarding road safety among the masses through such initiatives!

No. of Attendees : 30

Prof. Naokant Deo
Chairman, NSS-DTU

Save Soil Awareness

NSS DTU, in collaboration with Isha Outreach Projects, organized an informative webinar on the theme of "Save Soil Awareness" on 21 May. The workshop's main objective was to promote awareness about the necessity of preserving healthy ecosystems and human well-being.

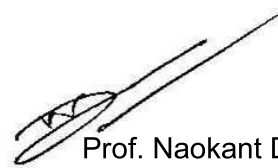

Soil is an essential part of our ecosystem, which calls for urgent attention and provisions for conservation. The event witnessed massive participation of around 120 students. It highlighted the need to save soil and why should it be our topmost priority. Steps to tackle this prevalent issue were also discussed. The initiative Save Soil, led by Sadhguru, was also elaborated.

Individual approach to protecting soil was also brought into light. This was followed by an enlightening QnA session.

At NSS DTU, we urge everyone to tackle the expanding issues in soil management and be aware of the same.

KIDS DEN NOV-2019

24 July, 2020

Respected Dean Student Welfare,

Girl Up DTU is happy to announce its first council and will be beginning its journey in DTU this year. Girl Up is a *United Nations Foundation Club* established in DTU by students. Girl Up's leadership development programs have impacted 65,000 girls through 3,500 Clubs in nearly 120 countries and all 50 U.S. states.

With the agenda of "*Girls Building Empires*", the aim of Girl Up DTU is to promote women in offbeat careers and help women in the university as well as outside to live their dreams of entrepreneurship and leadership, to recognize and nurture women to become independent and stand on their feet.

Girl Up DTU aims to help and inspire young adolescent girls by collaborating with inspiring and successful persons in various fields to help them with their interests. The team also aims to spread awareness about women safety and equality with a variety of campaigns. Not only this, Girl Up DTU also collaborates with various NGO's to help the underprivileged adolescent girls by organising fundraisers, teaching programs, etc.

The following executive members will take the responsibilities of the DTU Chapter of Girl Up along with Dr. Bharti Singh, Assistant Professor, Department of Applied Physics and Ms. Anamika Chauhan, Assistant Professor, Department of Information Technology as Faculty Advisors and *Students Association of Delhi Technological University*.

Simran Singh	President	2K17/ME/228
Charvi Agrawal	Vice-President	2K17/EC/051
Ebani Gupta	Secretary	2K18/EP/025
Meetali Choudhary	Public Relations Officer	2K18/EP/047
Neha Radharapu	Marketing Officer	2K18/EC/110
Gopika Gopakumar	Design Head	2K18/BD/016

Prof. S. Indu
Dean Student Welfare

Co-Faculty Advisor

Girl Up DTU - Timeline

Girl Up DTU is a Girl Up Campus Club set up in Delhi Technological University. With the agenda of “Girls Building Empires”, the aim of Girl Up DTU is to promote women in offbeat careers and helping women in the university as well as outside to live their dreams of entrepreneurship and leadership, to recognize and nurture women to become independent and stand on their feet.

Simran Singh, the founder of Girl Up DTU established a council of 6 members following the registration of Girl Up DTU with Girl Up Campaign.

Simran Singh	President	2K17/ME/228
Charvi Agrawal	Vice-President	2K17/EC/051
Ebani Gupta	Secretary	2K18/EP/025
Meetali Choudhary	Public Relations Officer	2K18/EP/047
Neha Radharapu	Marketing Officer	2K18/EC/110
Gopika Gopakumar	Design Head	2K18/BD/016

The team has so far collaborated with inspiring and successful persons in various fields to help various students seeking information. The team also aims to spread awareness about women safety and equality with a variety of campaigns and collaborate with various NGO's to help the underprivileged adolescent girls by organising fundraisers, teaching programs, etc.

The team is divided in 3 tiers. The council, fellows and volunteers. The council was formed in April, 2020. The first recruitment of volunteers took place a few weeks later. The recruited students for the team were promoted to fellow positions based on their contribution to the society and interviews. After the fellow team was announced, a second round of recruitment was conducted. The students recruited in this term made the volunteers team.

April 18, 2020 - Girl Up DTU goes live on social platforms with the agenda *Girls Building Empires*.

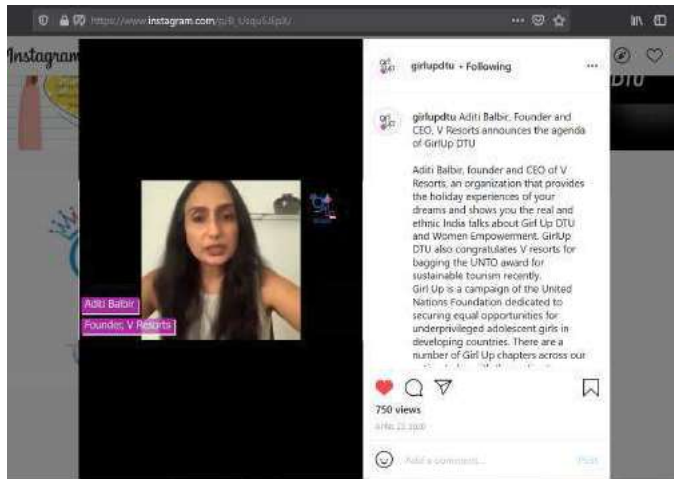

April 23, 2020 - Announcement of agenda by Aditi Balbir, Founder and CEO of V Resorts

Aditi Balbir, Founder and CEO, V Resorts announces the agenda of GirlUp DTU - Girls Building Empires

GirlUp DTU declares its agenda, “Girls Building Empires”, with the ambition to empower girls in DTU as well as outside. To empower girls who dare to be different and the ones who have the courage to stand out. To the girls who finally come to terms with the fact that they are BORN TO LEAD. We, at GirlUp DTU, promote girls to pursue their dreams. From being an entrepreneur to becoming an influencer, a mechanical engineer to a radio jockey.

We are dedicated to securing equal opportunities for underprivileged adolescent girls. We are a group of dedicated youth who have joined hands to take action and change lives, empowering both girls in our own university and outside.

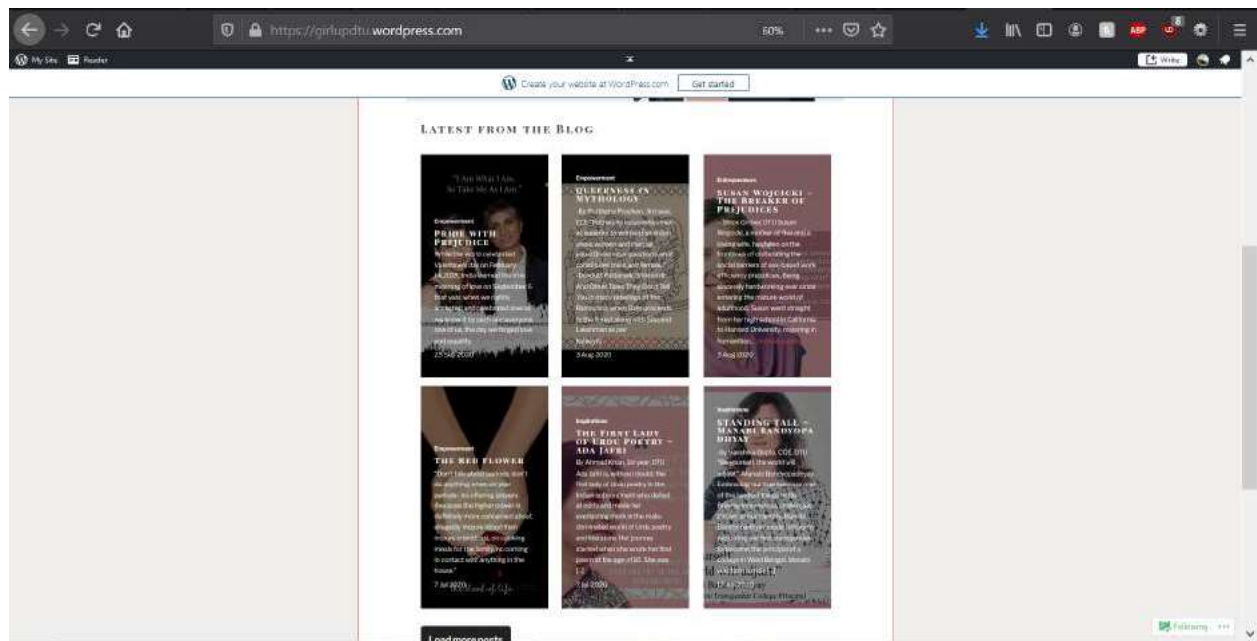

April 26, 2020 - Girl Up DTU starts its first recruitment process and recruits. (Documents attached in folder)

Girl Up DTU wordpress soon became active publishing the articles written by its members.

June 5, 2020 - Girl Up DTU successfully conducts its first Start-Up Webinar with speaker Jheal Shah, Founder and CEO of The Stylease.

The event saw an overwhelming amount of participation from students with over 50 students joining in. The event started at 5:30 p.m. and went on for 2 hours.

The meeting began with introductory remarks from Ebani Gupta, Secretary Girlup DTU on what GirlUp DTU hopes to achieve from the webinar. The mic was handed over to Arnav Garg who introduced the speaker Miss Jheal Shah, Founder thestylease.com. Miss Shah talked about the bias in the society against women entrepreneurs and the need for a support ecosystem, hiring passionate people who are also interested in solving problems rather than making profit as well as the dedication and patience required by an Entrepreneur, whilst answering questions posed by the hosts. Miss Jheal then went on to describe how the variety of academic and work experiences helped her in running her own company. She emphasized the importance of soft skills and the relative triviality of industry specific technical skills and outlined 2 necessary skills of the Entrepreneur as being agile and constantly learning. The session was opened up to the participants. Miss Jheal enthusiastically mingled with the participants going over setting up a company, exploiting free resources available, networking and not losing focus of why? The company was started and giving back to people through charitable initiatives. Post corona world, skills an Entrepreneur should acquire, healthy relationships with everyone involved, work and responsibility delegation were also discussed. Self-discipline and self-motivation were described as precious qualities and the need to never Doubt yourself. The discussion ended on ways to keep yourself motivated and marketing your idea to the world. The hosts and participants thanked Miss Jheal for her time and insights. The session had around 60 participants and everyone enjoyed the webinar thoroughly.

June 5, 2020 - Leaning In by Pratiksha Pradhan

<https://girlupdtu.wordpress.com/2020/06/05/leaning-in/>

December 29, 2020 - Girl Up DTU conducts its second round of recruitments.

A new number of recruits as a team of volunteers

January 30, 2021 - Girl Up DTU announces its first summit to be held on February 6, 2020 with the theme “Women in Offbeat Careers”

January 6, 2021 - Girl Up DTU presents the itinerary of its first summit on 6th February, 2021.

Girl Up DTU summit list of events held on 6th February 2021:

1. बातचीत with Priyanka", a live interactive session with the youtuber and travel blogger, "Desi Girl" Priyanka Chandola.
2. "RAKSHA", a self defense workshop to apprise the students about the need to tap one's hidden physical strength and learn to RESPOND, not REACT.
3. Let's Talk Business, an enthralling session on "Entrepreneurship" conducted by Meditourz.
4. STEM: How to start your career, a collaboration with Shweta shandilya and INNOVA DTU to talk about how to start your career in STEM.
5. एक कहानी ऐसी भी, with Essma Agrawal, who's an independent broadcast media professional having lent her voice to several national and international projects, the recent one being for the COVID-19 awareness.
6. Voice: A Spoken Word Saga, a GirlUp DTU x Sahitya DTU event as a part of The annual GirlUp DTU Summit sponsored by SNS AGRO.
7. LAUGH-A-THON, a live comedy event with Pooja Kashyap, Shagun Gaur, Poornima Dutta, Pooja Paath and Tanya Agarwal.
8. Fundraiser event "EKTARA" in collaboration with Madhurima, the music society of DTU.
9. 'KALAM', a GirlUp DTU x Sahitya DTU Article Writing Competition for our first upcoming Girlup DTU Summit - Women in offbeat Careers

February 28, 2021 - Out of the box talks Episode 2, in association with Cognitive Minds

This amazing session would encapsulate the journey to being the co-founder of the leading digital marketing platform TechMojito

The poster is divided into two main color sections: a dark grey/black area on the left and a red area on the right. On the left, the text 'OUT OF THE BOX' is written in large, bold, red, underlined capital letters. Below it, 'Episode-2' is in white, followed by 'with TANSHU VERMA' in white, and 'Co Founder of Techmojito' in smaller white text. At the top left is the 'Cognitive Minds' logo. At the bottom left is the 'GirlUp DTU' logo. On the right, a photograph of a woman with long dark hair, wearing a white shirt and a colorful patterned skirt, is shown from the waist up, looking over her shoulder. The background of the photo is a soft, hazy landscape. Below the photo, the date and time 'SUNDAY FEBRUARY 28 7 pm' are written in white capital letters. The 'girl up' logo is also present at the bottom center.

OUT OF THE BOX

28
7 pm**

21st March, 2021 - Out of the box talks Episode 3, in association with Cognitive Minds

Episode 3 of OUT OF THE BOX featuring Sanghamitra Pattanayak, co-founder of KleverMind on March 21st.

She has amassed over 10+ years of experience working in the IT industry. She was formerly a part of premier software giants like NTT Data and HCL. Currently she is responsible for the day to day operations of KleverMind, which includes sales, marketing, business development and operations among others.

3rd April, 2021 - Out of the box talks Episode 3, in association with Cognitive Minds

After conducting several successful sessions, **Cognitive Minds** in collaboration with **GirlUp DTU** are proud to present Episode 4 of **OUT OF THE BOX** series featuring *Srishti Sharma, Asia's most innovative women entrepreneur of the year 2020 by Yeforum.

12th April, 2021 - GirlUp DTU is proud to announce that we have successfully raised 40K for Snehalaya Foundation through our First ever E-summit 2021.

Girl Up DTU - Timeline

Girl Up DTU is a Girl Up Campus Club set up at Delhi Technological University. With the agenda of “Girls Building Empires”, the aim of Girl Up DTU is to promote women in offbeat careers and help women in the university as well as outside to live their dreams of entrepreneurship and leadership, to recognize and nurture women to become independent and stand on their feet.

The team has collaborated with inspiring and successful persons in various fields to help multiple students seeking information. The team also aims to spread awareness about women's safety and equality with a variety of campaigns and collaborate with various NGOs to help the underprivileged adolescent girls by organizing fundraisers, teaching programs, etc

The team is divided into 3 tiers. The council, fellows, and volunteers. The council was formed in April 2022. The recruitment of volunteers took place a few months later. The volunteers for the team were promoted to fellow positions based on their contribution to society and interviews.

From the day GirlUp DTU went live on Instagram to date, it has been a huge success, we have been able to share posts ranging from Mental Health, Intersectionality, and Identity to Women in Business and what not!

A few screenshots of the same can be found below.

Instagram Handle

From 2021 to 2022

1 July- 30 July

Mental Health month

We dedicated the month of July to raising awareness about mental health. We posted a number of posts and articles on Instagram and WordPress about mental health and its importance, when, and how to seek help. And ways in which we can extend support to others facing such problems.

Mental

/ment(ə)l/

A belittling term used to describe somebody who behaves irrationally or unreasonably.

IMPACT

People with mental health issues have far more sides to them than their illnesses. To not accept someone as a person first is not only disrespectful, it is also dishonour at many other parts to them outside at their diagnosis.

HAPPY MENTAL HEALTH AWARENESS MONTH!!

It's alright you don't need to recall if it's still May, don't you think every month can be and should be celebrated as mental health awareness month? And trust me when I say, you are not alone. We need to accept the fact that this pandemic has not been kind to anyone. Many of us lost families whereas many lost their jobs but many lost a simple mundane routine to keep them going. So, it is completely fine to not wanting to show a happy face all the time. It's Okay Not To Be Okay.

We Also conducted various events on the same theme spanning 2 days. The itinerary for the same is as follows-

1. **Meditation event** by BK Hitesh.
2. **REIKI** event by Namrata Chakhaiyar.
3. **Intro to different mental health issues** by Dr. Vidya Nair.
4. **What's Normal Anxiety-** and what's an anxiety disorder by Japneet Anand.
5. **Destigmatizing mental health** and how to support a friend or family member struggling with mental health by Shubhangi.
6. **Overcoming mental health issues** by Ripma Sarkar.

8 - 10 August

GirlUp recruitments

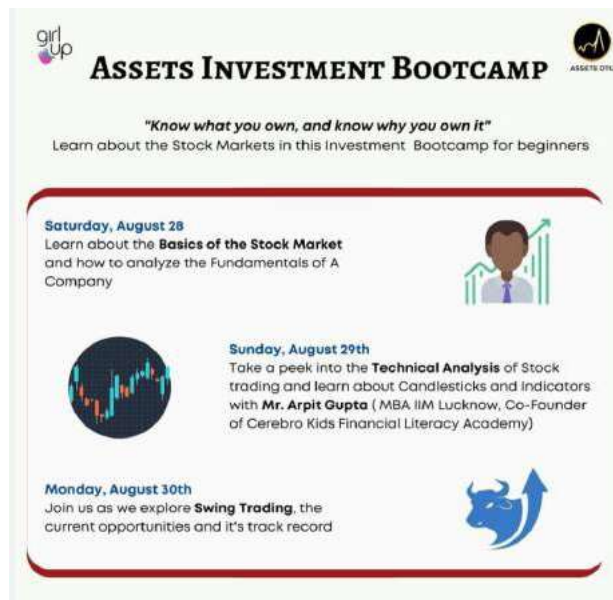

Girl Up DTU starts its third phase of the recruitment process and recruits approximately 15 students for the new team.

28 - 30 August

Financial Literacy Bootcamp

GirlUp DTU in collaboration with ASSETS DTU organized a three-day financial literacy Bootcamp to promote the importance of Investment amongst women.

10 September

Intersectionality: How it shapes the world of businesswomen

by Astha Verma

30 September

How do mental health issues affect marginalized people differently?

By Prabal

<https://girlupdtu.wordpress.com/2021/09/30/how-mental-health-issues-affect-marginalized-people-differently/>

9 October

Prejudice against leading women entrepreneurs in our society

<https://girlupdtu.wordpress.com/2021/10/09/prejudice-against-leading-women-entrepreneurs-in-our-society/>

9 October

Women in Business Webinar

A live webinar with Deepti B Singh, founder & CEO of Golden Deer Films Production.

An entrepreneur who is experienced in the film industry offered insightful perspectives and lessons on how to take the first steps in the world of business.

29 October

Menstrual Equity Workshop

GirlUp DTU in collaboration with GirlUp Mukti organized an interactive workshop ‘NETRITVA’ on Menstrual equity with Ananya Chhaochharia

Menstrual equity refers to the affordability, accessibility and safety of menstrual products, however, its not just defined by by-products but also by proper education and reproductive care, which was discussed in the webinar.

26 - 27 February

GirlUp Summit 2022

The theme for this year's summit was IDENTITY.

GirlUp DTU collaborated with Hamari Pahchan NGO who with the enthusiasm in their hearts work for the betterment of womankind. Hamari Pahchan NGO has been providing menstrual solutions and for the same received recognition on the **Republic Bharat News Channel**.

We had a number of events spanning over 2 days-

26 February

1) Girlup DTU in collaboration with Dr. Sunita Sidhwani Tank, an ICF certified career and wellness coach, hosted an engaging session on Career Counseling for Upcoming Leaders.

Choosing a career path best suited for an individual and then being content in it for the long run is a daunting task Dr. Sunita Tank guided the webinar attendees and answered all related queries to get the right trajectory as a result of which increased confidence could be noticed among the attendees.

2) GirlUp DTU in association with Skandhaa and Ms. Neha S Taparia, founder of Skandhaa organized a session educating the audience about identity and its importance in everyone's lives.

A judgment-free zone was created during the course of the session, wherein the participants were encouraged to not be dependent on social approval and not to let unsolicited advice hamper their confidence.

3) INSCRIBE: Essay writing competition

4) ABHILAAP: Monologue competition

5) ZENITH: Debating competition

27 February

1) Financial Independence webinar

Financial Independence not only liberates and empowers an individual but also makes them more confident in life as a whole and their decisions. It is important that this tricky topic be dealt with the utmost care, therefore GirlUp DTU conducted an interactive session with Madhura Dasgupta Sinha, founder, and CEO of Aspire For Her, which strives to build careers for women in India which is also a recognized initiative by the UN.

2) LGBTQ+ TALK

Coming on terms with and questioning one's identity are extremely essential and delicate topics that aren't talked about enough, therefore to normalize conversations about and around the LGBTQIA+ community we at GirlUp organized an insightful session with Medha Kler, Development practitioner and sexuality educator, who talked us through coming to terms with one's identity and accepting yourself for who you are.

3) PEHCHAAN

We organized PEHCHAAN, an interactive webinar about the pivotal life lessons one should be well versed with for the holistic curation of their self-identity. Being perplexed and in constant question about what your own identity is daunting therefore onboard with us, we had Monisha Mitra, a certified mindfulness life coach, and mentor, who imparted important life teachings and answered a wide array of questions ranging from all spheres of life

4) COMEDY NIGHT

6 March

Open Mic event-

GirlUp DTU, yet again in collaboration with Sahitya DTU, announced an Open-Mic, “AAYNA” . It utilized this ‘Aayna’ to perceive how beautifully these budding artists capture the little things they notice about the world in their wonderful art pieces.

Competitions organized by GirlUp in 2022

Inscribe: The Essay Writing Competition

The screenshot shows the Unstop website interface for the 'Inscribe - The Essay Writing Competition'. The header includes the Unstop logo, navigation links (Home, Learn, Practice, Participate, For Businesses), a search bar, and a 'Host Cultural' button. The main banner features the competition title 'Inscribe - The Essay Writing Competition' in large white text on a red background with a geometric pattern. Below the banner, a registration status bar indicates 'Registration Closed'. The competition details section shows the organizer 'girlup' and the host 'Delhi Technological University (DTU), New Delhi'. It specifies the location as 'Online'. A statistics box shows '23 Registered' and '14,729 Views'. The start and end dates are listed as '18 Feb 22, 12:00 AM IST' and '08 Mar 22, 12:00 AM IST' respectively. A list of categories includes 'Arts & Science', 'Others', 'Arts & Writing', 'Literary', 'Essay', 'Literary', and 'Cooking'. The eligibility is set to 'Open to All'. A note at the bottom states 'Updated On: 28 Feb 22, 10:20 AM IST'.

Abhilaap - The Dramatics Competition

The screenshot shows the Unstop website interface for the 'Abhilaap - The Dramatics Competition'. The header is similar to the previous page. The main banner has a green background with a white line-art illustration of a stage and the word 'CULTURAL' in large letters. The competition title 'Abhilaap - The Dramatics Competition' is prominently displayed. Below the banner, the registration status is 'Registration Closed'. The details section shows the organizer 'girlup' and the host 'Delhi Technological University (DTU), New Delhi', with the location 'Online'. A cookie consent banner is visible at the bottom right, stating 'We serve cookies to deliver our services, personalise information and improve your experience. By using Unstop, you agree to our Privacy Policy and Terms of Use.' with links to 'Privacy Policy' and 'Terms of Use' and a 'Ok, Continue' button.

Zenith: The Debating Event

The screenshot shows the Unstop website interface for the 'Zenith: The Debating Event'. The header is consistent with the other pages. The main banner features a green background with a white line-art illustration of a trophy and the word 'COMPETITION' in large letters. The competition title 'Zenith: The Debating Event' is clearly visible. Below the banner, the registration status is 'Registration Closed'. The details section shows the organizer 'girlup' and the host 'Delhi Technological University (DTU), New Delhi', with the location 'Online'. A statistics box shows '22 Registered' and '20,431 Views'. The categories listed are 'Arts & Science', 'Others', 'Arts & Writing', 'Literary', 'Essay', 'Literary', and 'Cooking'. A note at the bottom indicates the page was updated on '28 Feb 22, 10:20 AM IST'.

2020-21

Activities done so far:

- To celebrate Women's Day, a "Health Awareness Camp" was organised on 18th March 2019. It saw a participation of more than 80 women. The participants were the women faculty, students, office staff, lab staff, attendants of DTU. The lady wives of faculty members residing in DTU campus also participated in large numbers. An Ayurvedic doctor has been called to give advice to the participants regarding common health issues of women. Also, Bone Density Test of the participants was done and accordingly iron / calcium tablets were distributed.
- A half day workshop on "Cyber Security" was organised 9th April 2019. This workshop was an initiative of National Commission for Women (NCW) under 'Digital Shakti' campaign. In this workshop, along with the women faculty, staff and students of DTU, the women faculty and students of the nearby colleges were also invited. The program was well appreciated by the 90+ participants.
- Remedial classes for interested students of SC/ST/OBC/Women/differently abled persons / students of any category securing less than 30% marks in mid semester exam have been arranged.
- One Day workshop on "Sensitisation of University administration: Gender, Disability and Social Inclusion" on 24th July 2019. The workshop includes the topics related to making administration sensitive towards the needs, requirements and challenges of Women, SC, ST, OBC, Differently abled students, faculty and staff members. Resource persons from National Commission for Persons with Disability, Jamia Millia Islamia and Jawahar Lal Nehru University are invited for the same.
- Organised a motivational lecture by Mr. Rishi Ranjan on 1st November 2019.
- A Self Defence Training Programme, in collaboration with Delhi Police, has been organized on 4th November 2019. The objective of training program is to empower women and their capacity enhancement.
- International Women's Day was celebrated on 6th March 2020. The program was attended by about 30 participants. International Women's Day was celebrated on 6th March 2020 at Delhi Technological University with much fanfare. The program started with Prof. Uma Nangia, Head Electrical Engineering Department, informing the participants about the importance of Women's Day and also discussed about 'Gender Bias'.
Later Prof. Rachana Garg, Director Equal Opportunity Cell-DTU, gave a brief presentation on 'Women Empowerment'. She also informed the attendees about many National Policies for Women Empowerment'. Her presentation is well appreciated by the audience.
Also, a panel discussion about Women Empowerment was held. The panelists were Prof. S.Indu, Dean Student Welfare, Prof. Uma Nangia and Prof. Rachana Garg. The audience took part in the discussion enthusiastically.
In the end a quiz related to eminent women personalities was held and prizes were distributed to the winners.
- Organised a webinar on 'Laws and Environment for Women in the Workplace' on 11th Oct.2020 at 4.00pm. The resource person was Dr.Sharad Kumari, State Program Manager of the Action Aid Association of Bihar and Jharkhand.
- Organised webinar on, 'IEEE PES Women in Power initiatives and Humanitarian Technology Projects for more Member engagements in Research and Innovation' on 3rd

November 2020 at 4.00pm. The resource person was Prof. Celia Shehnaz, Professor, Department of EEE, BUET, Dhaka, Bangladesh.

Objectives

The main objectives of the cell are

1. To work out suitable programs/ schemes, including Remedial Courses, for improving the academic performance of students from SC, ST, OBC, women and persons with disabilities (whether at undergraduate, postgraduate, PhD or other levels) and/ or to monitor the implementation of such programs/ schemes
2. To coordinate with government and other funding agencies (including Public Sector Undertakings/ Public Sector Banks) with a view to mobilise financial and other resources required for educational empowerment of the students from marginalized sections.
3. To disseminate the information and act as a counselling-cum-guidance centre for students belonging to the marginalized sections, especially with regard to academic, financial and social matters;
4. To help and develop a cordial inter-personal relationship among students and between teachers and the students from marginalized sections for academic interaction and extra-curricular activities; by sensitising the teaching and other staff.
5. To assist in smooth and efficient running of a Resource Centre which specializes in addressing the needs of PwD in all categories including visual, hearing, orthopaedic, and neurological disabilities.
6. To promote a social and psychological environment to raise awareness on sexual harassment and gender based discrimination against women.
7. To organize or conduct seminars/ symposia/ workshops/ conferences/ exhibitions/training program, etc. from time-to-time on issues of contemporary significance for empowering, educationally and culturally, students belonging to the marginalized sections.

Vision & Mission

Vision

To create and sustain the environment in the university which promotes equal human values while respecting the distinct cultural identities.

Mission

To pursue and realise social inclusion and integration of marginalized sections including SC, ST, OBC, women and persons with disabilities (PwD) of the Indian society by identifying and dissuading the different types of discrimination that exist in both conscious and unconscious social behaviour. It also aims to contribute to the creation of a society that is free of discrimination and prejudice, and to promote good relations and foster a vibrant human rights culture.

2. Registrar, with the request to circulate the information to the staff.
3. All Dean, with the request to circulate the information to the staff.
4. All HoDs, with the request to circulate the information to the faculty & staff.
5. Chief Warden with the request to circulate the information to wardens and staff of Hostels.
6. Dy. Registrar (Estb.) with the request to circulate the information to the staff.
7. OIS(S&P) with the request to circulate the information to the staff.
8. AR. (GA) with the request to circulate the information to the staff.
9. Head Computer Centre with the request to upload the same on University Website.
10. Librarian with the request to circulate the information to the staff.
11. Notice board.

Program Methodology

The format of sessions will be largely interactive, practical and experiential with time for practice, activities, peer learning, introspection, guest/panel speaker exposure and physical/rejuvenation time, as well. The faculties are experts in their respective fields and are experienced explorers of life. The prime focus will be the group dynamics and subjects can change accordingly as per the group interest. Facilitated sessions by experts Inspirational audio, video and reading Powerful peer to peer, group learning Self reflection and contemplation zones.

Harpreet Bhan, - VP Adizes India and Middle East - top 10 large business consulting group. Ex board member responsible for 43 countries of multibillion global security services company. Presented entire season of Radio City -Shani Sutra, Heartfulness Trainer 15+ years.

Participation

This programme is open to the faculty members and staff of DTU and other recognized Institution. There is no registration fee and no TA/DA will be paid to the participants. For any further queries please contact the coordinator on Mobile No. 8587898334, 9868234379.

About the University

"75 years of Tradition of excellence in Engineering & Technology Education, Research and Innovations" Delhi College of Engineering, (initially established with the name - Delhi Polytechnic) came into existence in the year 1941 to cater the needs of Indian industries for trained technical manpower with practical experience and sound theoretical knowledge. The erstwhile DCE has functioned from its historic Kashmiri Gate Campus for almost 55 years and has shifted in 1996 to its lush green sprawling campus of 164 Acres at Bawana Road, Rohini, Delhi. Its shifting to new campus has added the dimension of research and caused innovations in plenty, which has received high national and international acclaim. As a Delhi Technological University, it has the desired autonomy to excel and shape itself as a world class Technological University.

About Heartfulness Institute

Since 1945, Heartfulness meditation practices are offered worldwide, free of charge to people above fifteen years of age, serving people in over 130 countries. Heartfulness organizations manage varied programs and facilities worldwide, including : Cutting edge research on the effects of meditation, programs on values and life skills for teachers and students in colleges and universities, meditation centers, research facilities and retreat centers. It has been an NGO partner with the United Nations Department of Public Information since 2005.

About Centre for Value Based Education

Established in 2018 to create awareness, inspiration among the students and teachers about the need of higher dimensions of education in becoming enlightened citizenship which is achieved by imparting techniques and knowledge for promoting human values and thereby making better engineers with the better use of ethics and moral values in professional and personal lives.

About Equal Opportunity Cell

The Equal Opportunity cell of DTU is set up in the year 2018 with the aim to assist and counsel the students belonging to deprived sections including the scheduled castes, scheduled tribes, women, persons with disabilities etc. pursuing various programs of studies at the University.

About Kaushalam

This retreat programme offers an opportunity for participants jointly reflect and discover new paradigm for effective life management.

The programme inspires participants to discover & experience the joy & fulfillment of life guided through the intuitive wisdom of their heart

1. Introduction

1.1 Background

Gender equity in higher education is a key indicator of institutional excellence and social responsibility. As institutions aim to foster inclusive environments that reflect the values of equality and empowerment, gender auditing emerges as a powerful tool for assessing how well these goals are embedded within policies, infrastructure, and practices. Gender audits not only provide insights into existing gender dynamics but also serve as a catalyst for policy reform and institutional transformation. By systematically evaluating participation, representation, and institutional inclusivity, such audits enable educational institutions to identify blind spots, correct imbalances, and reinforce their commitment to gender justice.

In alignment with the National Assessment and Accreditation Council (NAAC) Criterion 7.1.1, this audit examined how gender perspectives are integrated into the institution's ecosystem. This includes an evaluation of gender ratios in enrolment and staffing, the presence and effectiveness of gender-sensitive policies, the adequacy of support structures like anti-sexual harassment committees, and the gender-responsiveness of infrastructure. Through a comprehensive and participatory approach, this audit aims to assist the institution in achieving its vision of inclusive education and provide a foundation for continuous improvement.

1.2 Objectives

The objectives of this gender audit are:

- Assess gender distribution among students, faculty, and staff.
- Evaluate policies, facilities, and practices that promote gender equity.
- Identify gaps and recommend actionable strategies to improve inclusivity.
- Align institutional practices with NAAC requirements and national guidelines.

2. Methodology

The gender audit was conducted using a mixed-methods approach that combines both quantitative and qualitative research tools. Quantitative data was gathered from institutional records on student enrolment, faculty recruitment, administrative staffing, and gender-wise participation across programs. This data was disaggregated by gender and analyzed to detect trends, disparities, and areas requiring intervention. In parallel, qualitative inputs were obtained through surveys distributed among students, faculty, and staff to gather perceptions on gender sensitivity, safety, and institutional support.

In addition, a physical audit of the campus infrastructure was conducted to evaluate the availability and adequacy of gender-responsive facilities such as separate restrooms, safe transportation options, and wellness centers. These data streams were triangulated to provide a holistic and nuanced understanding of gender dynamics within the institution. The methodology emphasized participation and confidentiality to ensure honest feedback and stakeholder ownership of the findings and subsequent recommendations.

2.1 Data Collection Tools

- Collection of demographic data.
- Online survey distributed to students, faculty, and non-teaching staff.
- Physical inspection of campus infrastructure and safety measures.

Handwritten signatures and initials in blue ink at the bottom of the page. From left to right, there are initials 'mv', a signature 'Payal', a signature 'R. Chaudhary', and a signature 'h.h.'.

Handwritten signatures and initials are present at the bottom of the page, including a signature that appears to read "Chayao" and other illegible marks.

4. Infrastructure & Safety Measures

- **The Equal Opportunity Cell (EOC) at DTU:** It is dedicated to fostering an inclusive and supportive environment for all university community members. Our mission is to ensure that everyone, regardless of gender, disability, or background, has equal access to opportunities and resources. The EOC promotes diversity, equity, and inclusion through comprehensive research, targeted initiatives, and empowering programs. By addressing key issues such as women's safety, mentorship for people with disabilities (PWD), and self-defense training, the EOC strives to create a campus culture where every individual can thrive and reach their full potential. The Equal Opportunity cell of DTU was set up in the year 2018 to assist and counsel the students belonging to deprived sections, including the scheduled castes, scheduled tribes, women, persons with disabilities, and socio-economically deprived groups pursuing various programs of studies at the University.
- **Internal Complaint Committee (ICC) at DTU:** The University has constituted an Internal Complaint Committee (ICC) as per the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act and Rule 2013.
- Separate women's common rooms with sanitation facilities in all academic blocks.
- 24x7 CCTV surveillance and well-lit pathways across campus.
- Separate hostels for female students
- On-campus Day Care center

5. Gender Sensitization Programs & Initiatives

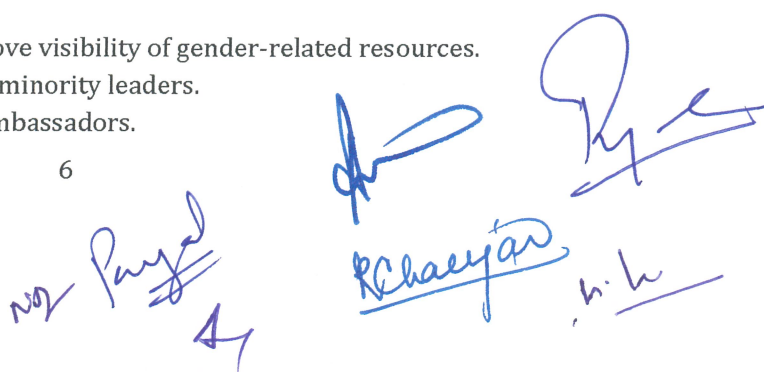

- "Gender Sensitization & POSH" programs.
- Workshops on self-defense and mental health awareness.
- Active Internal Complaints Committee (ICC).

6. Survey Findings & Analysis

- ❖ The survey indicates a largely positive, safe, and respectful environment. Over four-fifths of participants say they have *neither experienced nor observed* gender discrimination and feel physically safe on campus.
- ❖ Inclusive safety measures (CCTV, lighting, patrols) and gender-neutral restrooms are widely praised (~78–79 % approval). Three-quarters believe everyone can speak up freely in classes and meetings, and 70 % perceive leadership posts (HoD, deaneries, committees) as open to all genders.
- ❖ Around two-thirds recognise fair recruitment/promotions and adequate grievance mechanisms, yet a quarter remain uncertain or unaware of existing policies—signalling a communication gap.
- ❖ **Key gaps:** Less than one-third have received gender-awareness training or can point to dedicated gender-equality resources/mentoring. Department-level gender balance and childcare facilities also fall below 50 % satisfaction, highlighting pipeline and support-service issues.

7. Recommendations

1. Make gender training mandatory and improve visibility of gender-related resources.
2. Publicise the success stories of women and minority leaders.
3. Establish a network of peer-led inclusion ambassadors.

Handwritten signatures and initials in blue ink at the bottom of the page, including a large signature on the right and several smaller ones below it.

4. Review childcare capacity and targeted hiring to correct departmental imbalances.

8. Conclusion

The gender audit highlights both progressive practices and areas requiring targeted interventions. Implementing the recommended strategies will help the University strengthen its commitment to gender equity and fulfill NAAC expectations.

9. Annexures

1. Constitution of Committees (EOC, ICC)
2. Day Care Centre Brochure
3. Girls' Hostel Facilities
4. Events Organized

DELHI TECHNOLOGICAL UNIVERSITY

(Govt. of NCT of Delhi)

BAWANA ROAD: DELHI-110042

DTU/MATHS/

Dated: 21/05/2025

MINUTES OF MEETING

A meeting of the Gender Audit Committee was held on 21st May, 2025 at 01:30 PM in the office AP3, 317.

Agenda:

To discuss and finalize the Gender Audit Report (2024–25) as per NAAC Criterion 7.1.1 and recommend further action points for improving gender equity at DTU.

Members Present:

1. Prof. Neeta Pandey – Director, IQAC, Chairperson
2. Prof. Anjana Gupta – Director, EOC
3. Prof. Rishu Chaujar – Associate Dean (UG)
4. Prof. Rajesh Kumar – Associate Director, EOC
5. Prof. Anil Kumar – Head, Applied Chemistry
6. Prof. Nand Kumar – Former HoD, Humanities
7. Dr. Payal – Member Secretary

The following observations were noted and discussed by the committee:

- The report highlighted student enrolment statistics, faculty and staff composition, infrastructure, gender sensitization programs, survey outcomes, and gaps.
- **Student Enrolment:** Notable gender disparities persist in undergraduate B.Tech. programs, with some branches like Mechanical, Electrical, and Civil showing <10% female enrolment. Postgraduate programs (especially M.Sc., MA, and MBA) exhibit improved gender ratios, some exceeding 60% female participation.

do

Rishu

W. Lr
21/5/25
A-1

mv

- **Faculty & Staff:** Women constitute 29.78% of permanent faculty and 20.9% of non-teaching staff. There remains scope for improving representation at senior faculty levels.
- **Infrastructure & Safety:** Adequate infrastructure is in place including women's restrooms, hostels, a day-care centre, CCTV surveillance, and safe transportation.
- **Survey Insights:** Majority reported feeling safe and respected. However, less than one-third of respondents had undergone gender-sensitization training, and awareness of grievance redressal mechanisms was low.

The Recommendations made by the Committee are as follows:

- Gender-sensitization training to be made **mandatory** for all students, faculty, and staff.
- Increase awareness of gender-related policies and support mechanisms through **orientation programs, posters, and digital campaigns.**
- Establish a **Peer-led Inclusion Ambassador Network** across departments.
- Conduct **department-wise review** to address skewed gender ratios and hiring practices.
- Expand and publicize **childcare facilities** for staff and research scholars.
- Recognize and highlight **success stories of women leaders and alumni** through university publications and events.

The Committee appreciated the detailed and evidence-based gender audit and unanimously approved its findings and recommendations. Members reaffirmed DTU's commitment to creating a more gender-sensitive and inclusive campus environment.

The meeting concluded with a vote of thanks by Prof. Anjana Gupta.

MEETING NOTICE

A meeting of the Gender Audit Committee constituted in accordance with NAAC Criterion 7.1.1 ("Institutional Values and Best Practices – Promotion of Gender Equity") is scheduled as per the following details:

Date: 21st May, 2025

Time: 01:30 PM

Venue: AB3, 317

Constituted Committee Members:

1. Prof. Neeta Pandey, Director, IQAC, DTU – *Chairperson* (Electronics & Communication Engineering)
2. Prof. Anjana Gupta, Director, EOC, DTU – (Applied Mathematics)
3. Prof. Rishu Chaujar, Associate Dean (UG), DTU – (Applied Physics)
4. Prof. Rajesh Kumar, Associate Director, EOC, DTU – (Mechanical Engineering)
5. Prof. Anil Kumar, Head – (Applied Chemistry)
6. Prof. Nand Kumar, Professor & HOD (2018–2024) – (Humanities)
7. Dr. Payal – *Member Secretary* (Applied Mathematics)

All committee members are requested to make it convenient to attend the meeting.

OFFICE ORDER

The Competent Authority is pleased to constitute a **Gender Audit Committee** to undertake a comprehensive gender audit and to evaluate/suggest how efficiently gender perspectives are mainstreamed within policies, processes and campus environments. The composition of the committee is as under:-

S. No.	Name & designation	
1.	Prof. Neeta Pandey, Director, IQAC	Chairperson
2.	Prof. Anjana Gupta, Director, EOC	Member
3.	Prof. Rishu Chaujar, Assoc. Dean (UG)	Member
4.	Prof. Rajesh Kumar, Associate Director, EOC	Member
5.	Prof. Anil Kumar, HOD (Applied Chemistry)	Member
6.	Prof. Nand Kumar, Humanities Deptt.	Member
7.	Dr. Payal, Applied Mathematics	Member Secy.

The Committee shall complete the Gender Audit work in next 30 days positively.

DAY CARE CENTRE

Kidz Den

For Children of Faculty, Officers and Non-Teaching Staff

About Us

Delhi Technological University Day Care Centre (DTU-DCC) - **Kidz Den** for the children of Faculty, Officers and Non-Teaching Staff of Delhi Technological University is fully functional.

Location

The facility is located facing the entrance play ground in the university's main campus.

Objective

The objective of the Day Care Centre is to provide the Faculty, Officers and Non-Teaching Staff of DTU the facility of keeping their children under good care during the working hours right inside the university campus. The members of the university community had long demanded establishment of a Day Care Centre in the campus so that they can work with peace of mind and can access their children quickly in case of emergency. Apart from taking good care of the enrolled children, one of the key objectives of the Centre is also to involve the children in various activities thereby enhancing their motor and cognitive skills. The Day Care Centre could turn out to be an important learning ground to teach the child a whole lot of lessons in socialization that could turn out to be invaluable in later life.

Facilities to be provided at the Day Care Centre

A CCTV Enabled Centre with three newly renovated air-conditioned rooms with furniture and other accessories, well equipped kitchen with refrigerator, microwave oven, water purifier and all other necessary items and two rest-rooms. Some of the main features of Day Care Centre are:

CCTV access to parents allowing a live streaming facility where the parents' can view the centre's happenings.

A colourful play area for children with fencing in front of the centre.

Activity toys, books and riders for kids of all age groups.

Baby beds and bouncer/rockers.

Two child care attendants.

Basic medical services to the wards of the Day Care Centre can be provided by the University Health Centre, if such need arises at the Centre during working hours.

TIMINGS

8:30 am to 5:00 pm
Monday to Saturday

HOLIDAYS

Sundays and all
University holidays

AGE GROUP

1 to 7 years

Fees Policy

Fees must be paid to Registrar, DTU till 10th of every month. Fees are based on enrolment not attendance (NO fee decreases for sick/missed days or statutory holidays).

One time registration fees (non-refundable): ₹ 800

If kid stays Full Day in
Day Care Centre

₹ 1000/Child/month

₹ 1600 upto two siblings/month

If kid stays Half Day in
Day Care Centre

₹ 600/child/month

₹ 1000 upto two siblings/month

If one kid stays Half Day in
Day Care Centre and
other child avails full day then

₹ 1400 upto two siblings/month

Fees for 15 Days irrespective of
the time spent (no registration)

₹ 700/child

₹ 1200 upto two siblings

Mode of Payment of Fees

Payment of fees is accepted only through DD/Pay Order in favour of "The Registrar, DTU".

Some Important Rules

- a. Those who want to avail the Day Care facility need to take an approval from Registrar office through DCC committee and submit the form along with the prescribed fees before bringing their ward to the Day Care Centre.
- b. In case, someone wants to withdraw their ward from the Day Care Centre, they need to inform the registrar office, accounts and the DCC committee and need to submit the fees up to the date, the Day Care facility was availed.
- c. The Day Care Centre has maintained a register to record the fee payment, parent's contacts, suggestions/complains and wards in/out timings, kindly do the needful when you bring your ward to the facility.
- d. Parents should send healthy food in hygienic containers with child's name on each container. Food will be heated if required, but no food will be cooked at the Centre.
- e. The parents need to provide an attendant who will be solely responsible for taking care of the infant (12-24 months) admitted to the Day Care Centre.
- f. All the queries of the parents will be attended on phone during working hours. Regular attendance at the Day Care Centre is extremely important for your child to settle in well. Routine becomes part of your child's day. You are welcome to visit your child in the Day Care at any time.

Immunization Policy

DTU-DCC is required to keep an up-to-date copy of each child's immunization record. Upon enrollment the daycare staff will ask for a current immunization record for every child.

- If a parent has decided not to have their child inoculated, the following procedures then apply:
 - The parent will provide a signed and dated letter stating that they have chosen not to immunize their child and that they understand the importance of immunizations, side-effects and dangers of not being immunized.
 - If an outbreak occurs, the parent will be asked to remove the non-immunized child from the centre until it has been determined that the child's health is no longer at risk.

Clothing Policy

As the children participate in a variety of indoor and outdoor play activities each day, it is helpful if your child wears washable, comfortable clothing that is appropriate for the weather.

Please provide:

- One change of clothes
- An adequate supply of diapers, pull-ups and wipes
- Warm outdoor clothes (mittens, hat, boots) in the Fall and Winter
- Sun hats, boots and raingear in the Spring and Summer

Release of Children Policy

A child will be released only to the parent or his/her legal guardian unless otherwise indicated on the registration form.

1. The staff must be notified in writing of any alternate arrangements.
2. Picture identification will be required if that person is not known to the daycare staff.
3. Children will not be released to anyone under the age of 12.
4. It would be the responsibility of the guardians to pick up their respective wards by 5:00 pm sharp.
5. Children suffering from fever or a contagious illness cannot come to Day Care Centre.
6. In the event of kids falling ill during the working hours, it is parent's responsibility to take them home upon communication and provide them medications.
7. The Day Care Centre is not liable for the loss or damage of personal belongings.
8. Costs incurred by the parents due to an exceptional closure of the Day Care Centre cannot be claimed back from the Day Care Centre.
9. The parents will have a monthly meeting (First Friday of every Month) with Day Care Committee to discuss the issues regarding the betterment/improvement of the Day Care Centre.

Attendance Policy

Regular attendance at the Day Care Centre is extremely important for your child to settle in well. Routine becomes part of your child's day. You are welcome to visit your child in the daycare at any time.

Criteria for Admission to Day Care Centre

Criteria for Admission to Day Care Centre-**Kidz Den** established in DTU. The admission of the ward would be as per First Come-First Basis Category-wise and the availability of seats depending upon where

Category-I: Both parents are working and either of them is a regular staff of the University

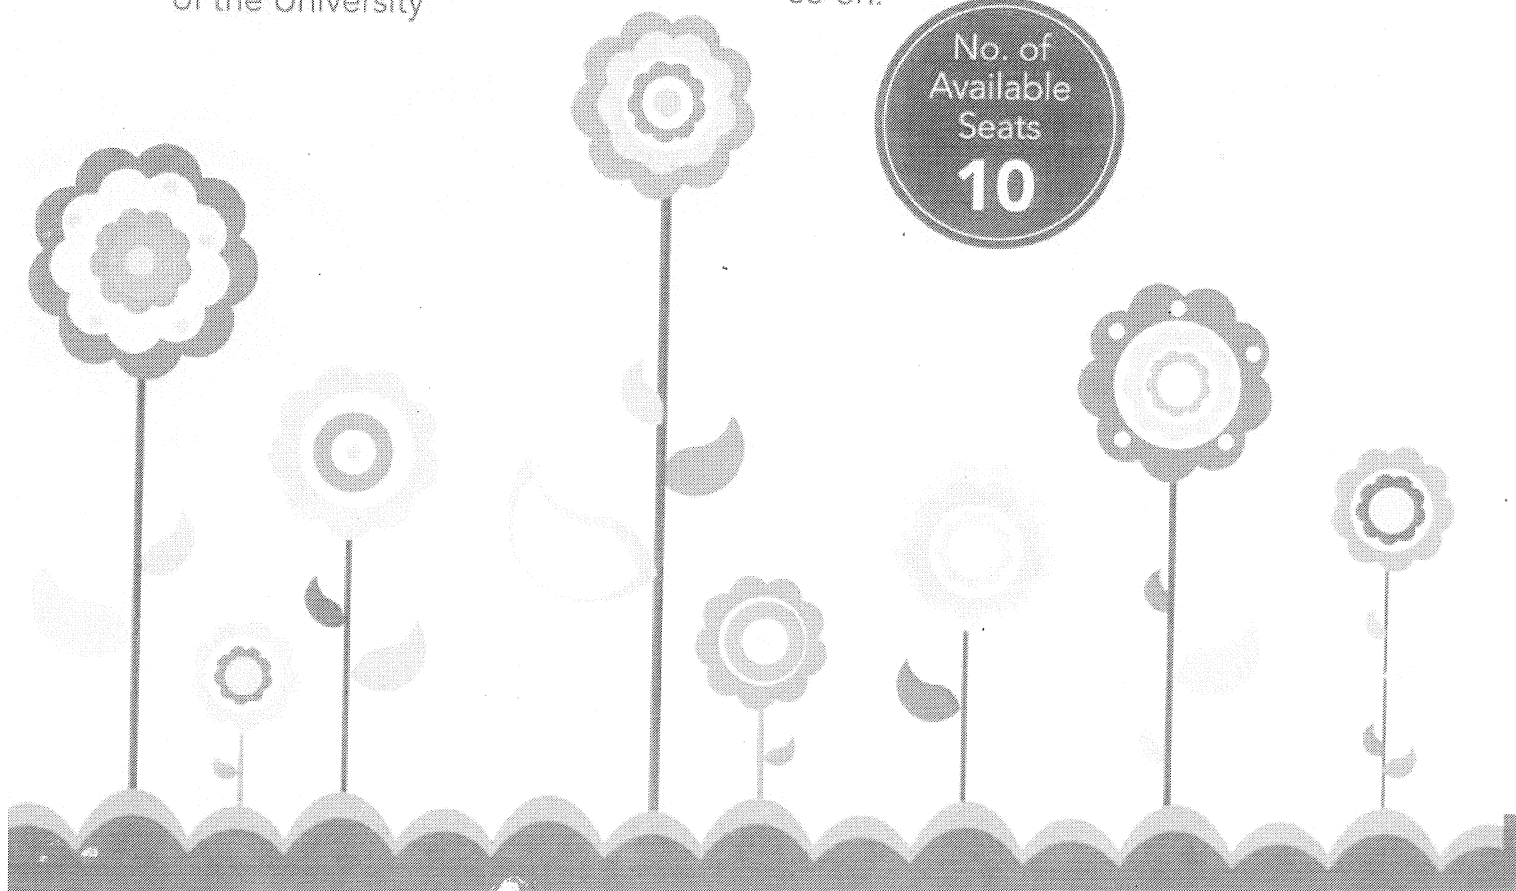

Category-II: Both parents are working and either of them is a contractual staff of the University

Category-III: Either parent is working and he/she is a regular staff of the University

Category-IV: Either parent is working and he/she is a contractual staff of the University

The admission of the ward would be as per First Come-First Basis Category-wise i.e. if the applications received in Category-I fill the number of available seats, applications belonging to other categories won't be considered. If there are less applications in Category-I, the applications in Category-II would be considered. Further, if still there are vacant seats, applications in Category-III will be considered and so on.

Virangana Lakshmibai Hostel

VIRANGANA LAKSHMIBAI

Virangana Lakshmi Bai was the queen of the princely state of Jhansi, which is located on the northern side of India. She is known for her significant role in the first war of India's independence of 1857, against the rule of the British East India Company. Lakshmibai was born as Manikarnika Moropant Tambe on 19 November 1828 in Varanasi, northern India. She became the Queen of Jhansi and was then known as Lakshmi Bai, upon her marriage. At the tender age of 18 years, she bravely bore the tragedy of widowhood. In the 1857 war, Maharani strapped her son to her back to ensure her kingdom's safety and fought against the troops with a sword in each hand, thus was her heroism and valour. This unimaginable bravery combined with her leadership broke several shackles for women and continues to inspire millions of us. Maharani Lakshmi Bai died like a heroine at the young age of 29 and was amongst the most contributing characters.

While exposure to literacy and the art of warfare was not accessible for most women, her parents ensured she became well-versed in the art of statesmanship and warship very early in life. She was the embodiment of women's empowerment. Her tale depicts the latent feminine potential which is yet to come out. For women today, she is the idol of empowerment and equality. She stands out as the epitome of courage earning her the title of "Virangana", immortalized by the famous poetess Subhadra Kumari Chauhan's ballad in her praise – 'Khoob Ladi Mardani Woh acto Jhansi Wali Rani Thi'.

The female students' hostel, named in her memory is a fully air-conditioned 11-storey building comprising of 2 Blocks. The hostel was inaugurated in 2022 marking the 75th year of Indian independence.

Hostel Facilities: AC, Pool Table, Table Tennis, Fitness Equipment, Internet, Geysers for hot water, Water Cooler etc.

Total Seats: 660

Sister Nivedita Hostel

SISTER NIVEDITA

(1867 - 1911)

Sister Nivedita was a dynamic philosopher whose life was a saga of service and sacrifice. She was born on October 28, 1867. Known as Margaret Nobel in her younger days, she was highly influenced by the teachings of Swami Vivekananda and came from distant Ireland to India to serve the people of this land. She was given the name "Nivedita" as one dedicated to God. She completely identified herself with the people and served the nation in various ways, in teaching, social reform, nationalism, relief work, journalism, art and architecture. In March 1899, when a devastating plague broke out in Calcutta, Nivedita formed a committee of social workers and literally saved hundreds of victims from the jaws of death, staking her own life in the process. She was a great intellectual and moral force behind the great Swadeshi Movement which came in the wake of the Partition of Bengal in 1905.

Sister Nivedita was an ardent patriot and a Karma-yogi of the Vivekananda brand. She was indeed a nationalist of nationalists. Her breadth of outlook, curiosity, courage, self-discipline and enthusiasm were without a parallel. She was looked upon as a luminous elder, leader and pioneer. Rabindranath Tagore called her 'Mother of the people'. He once said: "She is to be honored not because she was like us, but because she was greater than we..."

Sister Nivedita Hostel for girl students was started in the year 1999. Hostel Facilities: Total Rooms:

Hostel Facilities: Mess, Badminton Court, Internet, Television, Geysers for hot water, Water Cooler etc.

Total Seats: 96

Kalpana Chawla Hostel

KALPANA CHAWLA

(1961 - 2003)

Dr. Kalpana Chawla, born in Karnal, Haryana, India. Kalpana in Hindi means "imagination". Her interest in flying was inspired by the India's leading industrialists, J.R.D. Tata himself, a pioneering Indian pilot. She met and married Jean-Pierre Harrison, a flying instructor and aviation writer, in 1983 and became a naturalized United States citizen in 1990.

Kalpana earned her B.E. degree in aeronautical engineering at Punjab Engineering College Chandigarh (1982) and moved to the United States in 1982 and obtained a M.S. degree in aerospace engineering from the University of Texas at Arlington (1984). Kalpana went on to earn a second M.S. degree in 1986 and a Ph.D. degree in aerospace engineering in 1988 from the University of Colorado at Boulder.

Later that year she began working for NASA Ames Research Center as Vice President of Overset Methods, Inc. where she did CFD research on V/STOL. She held a Certificated Flight Instructor rating for airplanes, gliders and Commercial Pilot licenses for single and multiengine airplanes, seaplanes and gliders.

She joined the NASA astronaut corps in March 1995 and was selected for her first flight in 1998. Her first space mission began on November 19, 1997 as part of the six astronaut crew that flew the Space Shuttle Columbia flight STS-87. She was the first Indian-born woman and the second person of Indian origin to fly in space. During STS-87, she was responsible for deploying the Spartan Satellite which malfunctioned, necessitating a spacewalk by Winston Scott and Takao Doi to capture the satellite.

The Space Shuttle Columbia met with a fatal accident on its return path while entering the earth atmosphere on February 1, 2003.

Dr. Kalpana Chawla shall continue to inspire engineering aspirants around the world for her exemplary courage, extraordinary capabilities and her love for space explorations. Hostel Facilities: Total Rooms:

Hostel Facilities: Internet, Television, Geysers for hot water, Water Cooler etc.

Total Seats: 45

REPORT

"International Women's Day"

Organized by Equal Opportunity Cell, DTU
in collaboration with Institution's Innovation Council, DTU
On 14th March, 2024

An event on "International Women's Day" was successfully organised by Equal Opportunity Cell jointly with the Institutions Innovation Council (IIC-DTU), Internal Complaint Committee (ICC-DTU), Department of Applied Mathematics, Department of Environment Engineering and Department of Electrical Engineering on 14th March 2024. The event was graced by the auspicious presence of Prof. Perna Gaur (Director, NSUT West Campus), Dr. Perna Lakhwani (Gynecologist and Oncologist, Fortis Hospital, Delhi), Prof. Uma Nangia (Chairperson, ICC, DTU and Professor, Prof. Rachna Garg (Head, Electrical Engineering Department, DTU & Former Director, EOC, DTU), Prof. Anjana Gupta (Director, EOC, DTU), Prof. Mini, Dr. Shilpa Pal, Dr. Bhavnesh Jaint, Dr Geeta Singh (Assisstant Director, EOC, DTU and Assistant Professor, Department of Environment Engineering) and Dr. Payal.

The event aimed to celebrate women's achievements while shedding light on the challenges they face in society. It sought to empower women by providing them a platform to discuss their roles in shaping the future of "Viksit Bharat @2047" and raising awareness about the importance of women's health. Participants from diverse backgrounds, including various departments and age groups, came together to advocate for gender equality and promote discussions on women's pivotal role in our nation's advancement and progress.

The event commenced with the rendition of the National Anthem, and thereafter, the distinguished guests in attendance participated in a ceremonial lamp-lighting session to mark the inauguration. Prof. Perna Gaur highlighted the untapped potential of women as catalysts for progress and innovation, stressing the importance of providing them with equal opportunities for growth and advancement. Through an interactive address, attendees gained a deeper understanding of the significance of women's contributions to society and the importance of prioritising their growth. Subsequently, Dr. Perna Lakhwani, a distinguished gynaecologist and oncologist, delivered a powerful message on the critical importance of health and cancer awareness in women. With profound expertise and compassion, Dr. Lakhwani underscored the significance of early detection, prevention, and comprehensive healthcare in combating various forms of cancer that affect women. Dr. Geeta Singh concluded the event with her closing remarks, expressing gratitude to the esteemed dignitaries for their significant contributions and participation.

Over 65+ participants attended the awareness program and interacted attentively with the dignitaries.

break

*I Oth - Seer
19/03/24*

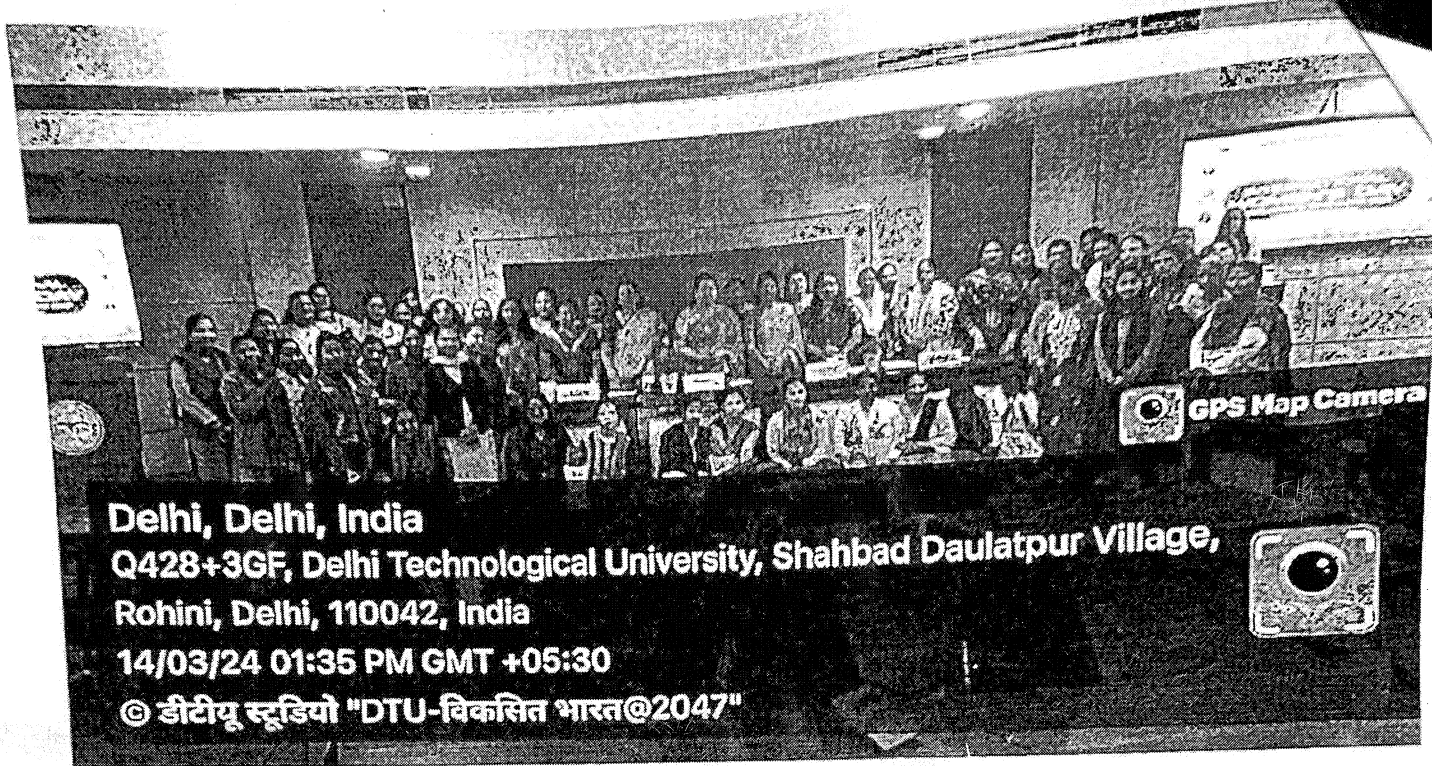

Objectives

- Providing a platform for women to discuss their roles in shaping the future of "Viksit Bharat @2047" aimed to empower them and highlight their significance in national development.
- Celebrate women's accomplishments while recognising the challenges they encounter in society, and educate attendees about the critical importance of health and cancer awareness in women.
- To provide a platform for open dialogue and interaction among participants, encouraging discussions on important issues related to gender equality, women's health, and societal progress.
- Fostering a campus culture that values respect, inclusivity, and well-being aimed to promote a harmonious and productive academic community.

Benefits

- Inspiring leadership and innovation in women to harness their skills and capabilities to drive positive change in society and contribute to the development of the nation as a whole.
- Spreading awareness among women and equipping them with the knowledge and tools necessary for early detection, prevention, and management of various women's health issues including cancer.
- Inspiring attendees to become advocates for gender parity and to actively work towards creating a more equitable and inclusive society for all individuals, regardless of gender.
- By bringing together participants from various departments and age groups, the event fostered a sense of inclusivity and unity, breaking down barriers and promoting collaboration among individuals from diverse backgrounds.

Report

2nd One Day International E-Symposium

On

'WOMEN IN SCIENCE'

Under the vision of *Viksit Bharat@2047*

11th February, 2024

Department of Biotechnology

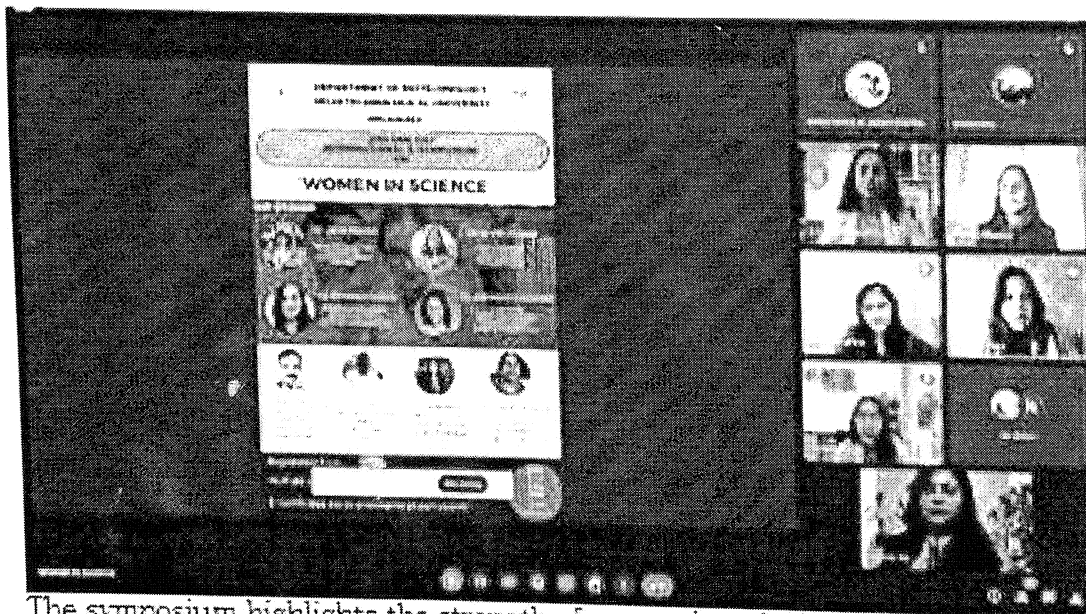

Delhi Technological University

Main Bawana Road, Shahbad Daulatpur,

New Delhi

Under the visionary initiative of Viksit Bharat@2047, We celebrate the strength of Women who has made significant contributions to the field of science throughout history, despite facing numerous obstacles and barriers. From ancient times to the modern era, women have pursued scientific knowledge and breakthroughs in various disciplines, including physics, chemistry, biology, mathematics, and astronomy. In recent decades, efforts to promote gender equality and inclusivity have led to greater representation of women in science. Organizations and initiatives focused on supporting women in STEM (Science, Technology, Engineering, and Mathematics) fields have emerged, advocating for equal opportunities, mentorship, and recognition for female scientists.

The symposium highlights the strength of women in today's world and how they are doing commendable in their fields. In Viksit Bharat 2047, women in science could be leading groundbreaking research, making significant contributions to various scientific disciplines, and holding influential positions in academia, industry, and government. With diverse perspectives and talents, women scientists would collaborate with their male counterparts to address pressing challenges facing society, such as climate change, healthcare, energy, and technology innovation.

WOMEN IN SCIENCE - Guiding the youth to achieve Viksit Bharat @2047:

11TH February, 2024

On 11TH February, 2024, there were more than 100 registered participants who attended the remarkable lectures in Committee Room, Department of Biotechnology, Delhi Technological University which included speakers, faculty members, staff and students. The list of the participants who attended the symposium has been attached with the report at the end.

The feedback form was submitted with the link:

Our esteemed Speakers:

- **Dr. Vidhu Sharma**, Research Operation Manager, The University of British Columbia

Topic: *"Building Bridges: From Lab coats to biomedical research management"*

- **Dr. Anjana Nityanandam**, Director of Operations, Stem Cells Lab, St.Jude Children's Research Hospital, Memphis, Tennessee, USA.

Topic: *"Neurobiology and immunology"*

- **Dr. Kavita Khanna**, Campus Director, Delhi skill and Entrepreneurship University, New Delhi, India.

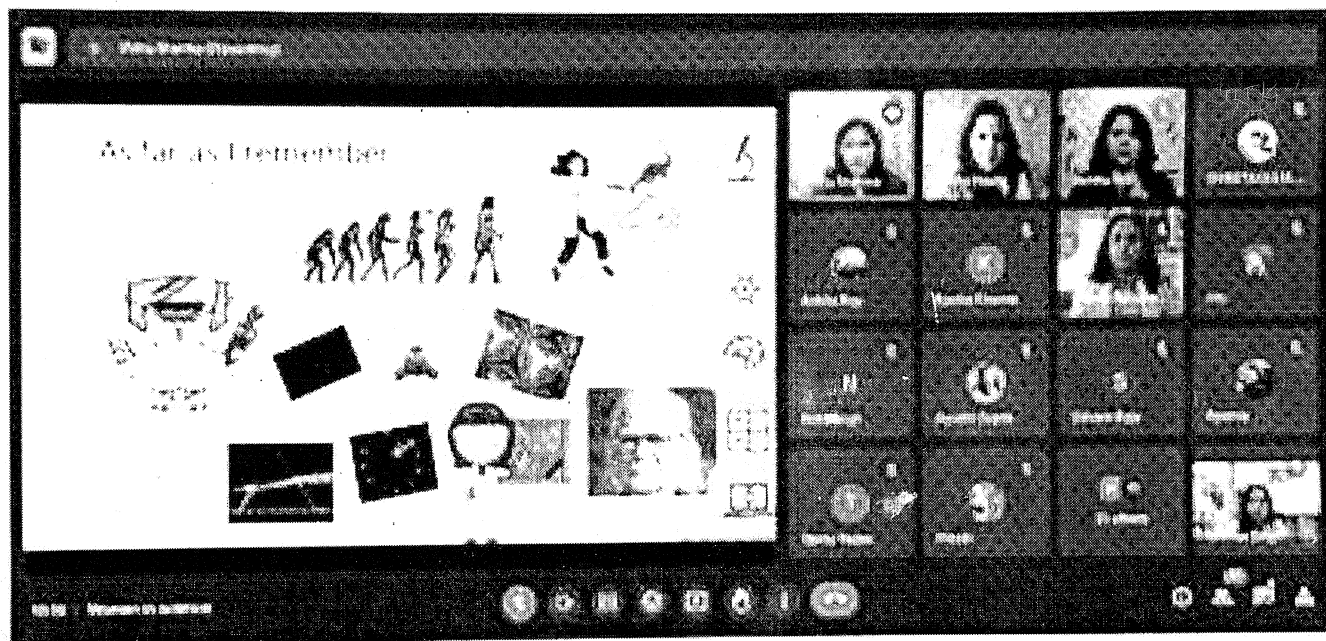

Topic: *"Emerging trends in Artificial Intelligence".*

- **Ms. Priyanka Tandon**, Senior manager, cross industry business development cloud solutions, Salesforce, USA.

Topic: *"Women Breaking Barriers - Empowering women in Technology"*

The lecture on " *Building Bridges: From Lab coats to biomedical research management*" by Dr. Vidhu Sharma was truly enlightening and left an indelible mark on our minds.

Dr. Vidhu Sharma

The lecture on ' *Neurobiology and Stem Research*' by Dr. Anjana Nityanandam was very engaging and informative. Her journey truly inspired all the students and provides the guideline.

Dr. Anjana Nityanandam

The lecture on '*Emerging trends in Artificial Intelligence*' by Dr. Kavita Khanna, gave an insightful knowledge on artificial intelligence and tools for data handling such as Tableau.

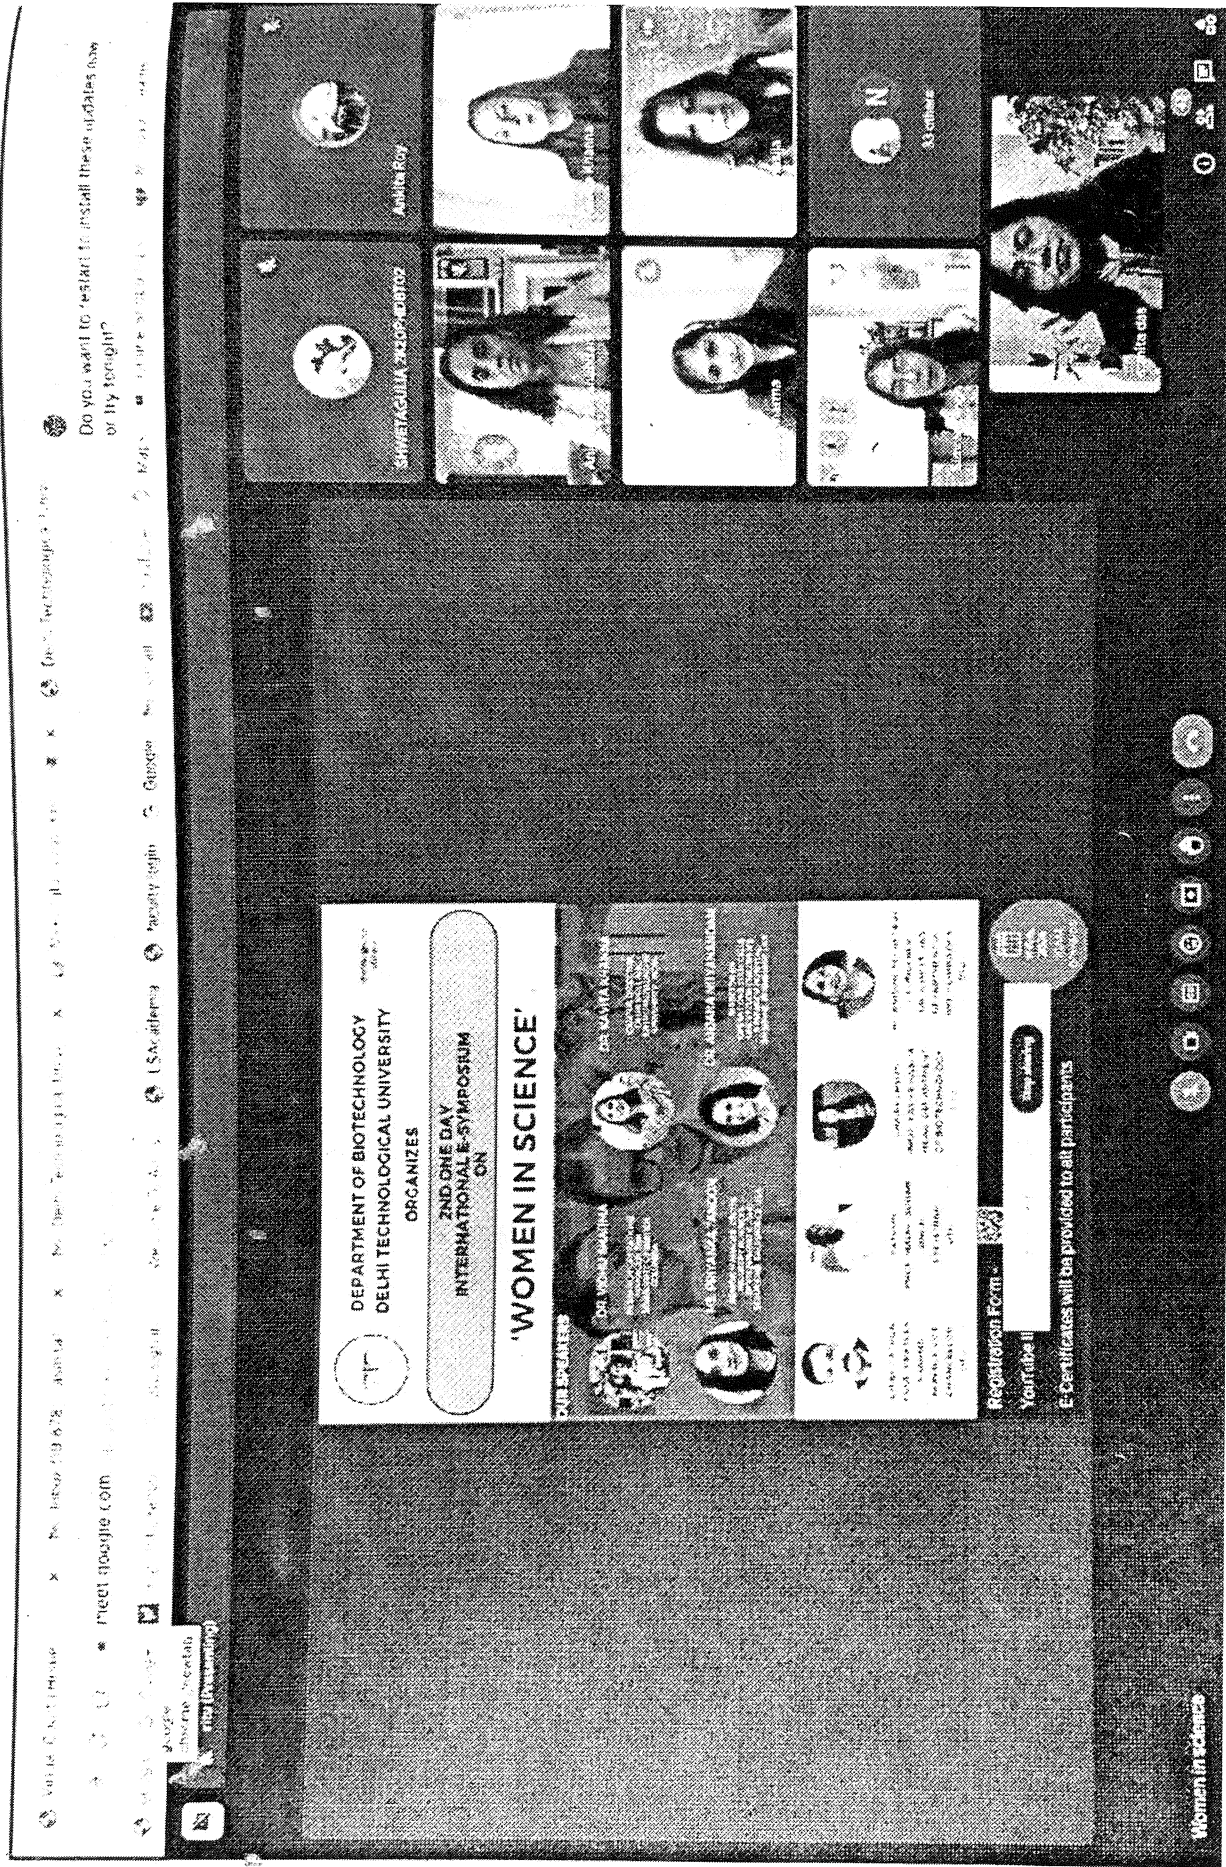

Dr. Kavita Khanna

The lecture concluded with a lively Q&A session, where students actively participated and gained insights about women in science. Dr. Asmita Das, the convener of the symposium, delivered the Vote of Thanks, expressing gratitude to esteemed speakers for their profound lectures. Prof. Yasha Hasija, Head of Department, Biotechnology, for being a source of inspiration, faculty members, staff and students for their valuable contribution.

Overall, the guest lectures provided valuable insights about the journey of women in the realm of science and their contribution towards the research. The efforts of Department of Biotechnology in organizing this event were commendable, and we anticipate more enriching lectures in the future.

On January 19, 2024 NSS DTU organized a panel discussion on Empowering Women and Child Development. Esteemed panellists, including Prof. Charu from IIPA, illuminated the path towards women and child development. Prof. Charu, a luminary in her field, passionately advocated for the integration of technology in empowering women, underscoring the pivotal role of awareness and nutrition literacy. Dr. Nidhi, a distinguished gynaecologist and IVF specialist, elucidated the significance of nutrition and health practices in the empowerment journey.

The discourse continued with Prof. Sanjay, a seasoned psychologist, delving into the paramount importance of mental well-being, offering daily practices for sustained empowerment. Meenakshi Shahi, the illustrious Director of CSRL, brought forth the indispensable role of education in the empowerment of women and children.

(INTERNAL COMPLAINT COMMITTEE)
DELHI TECHNOLOGICAL UNIVERSITY
(FORMERLY DELHI COLLEGE OF ENGINEERING)
BAWANA ROAD, DELHI-110042

F.No/DTU/EED/2023/1342

Date: 29 / 11 / 2023

NOTICE

Internal Complaint Committee, DTU in collaboration with Equal Opportunity Cell and Department of Electrical Engineering are organizing an awareness program on "**Prevention of Sexual Harassment of Women at Workplace**" for the benefit of female faculty members and staff of the university on 1st December 2023 from 2:30 pm onwards in Pragyan Hall, 2nd Floor Administrative Block DTU.

Speaker of the Program is Ms. Vandana Chawla, Senior Corporate Trainer POSH Expert.

All the interested female faculty members and staff are invited to attend the same.

(Prof. Uma Nangia)
(ICC, Chairperson)

Copy to:

1. PA to VC for Kind information to Hon'ble Vice Chancellor.
2. PA to Registrar, for Kind information to Registrar.
3. All Deans, with the request to circulate the information among staff.
4. All HODs, with the request to circulate the information among staff.
5. Chief Warden with the request to circulate the information among staff.
6. Dy. Registrar (Estb.) with the request to circulate the information among staff.
7. Dy. Registrar (GA) with the request to circulate the information among staff.
8. Head Computer Centre with the request to upload the same on University Website.
9. Librarian with the request to circulate the information among staff.
10. Departmental Notice Board.
11. Guard File.

DELHI TECHNOLOGICAL UNIVERSITY
Established by Govt. Of Delhi vide Act 6 of 2009
(Formerly Delhi College of Engineering)
Bawana Road, Delhi - 110042

F.No./DTU/ICC/2024/2005

Date: 22nd May 2024

NOTICE

The Internal Complaint Committee (ICC) along with Department of Electrical Engineering, Equal Opportunity Cell (EOC), Environment Engineering Department, and Department of Applied Mathematics are organising a one-day workshop on "Prevention of Sexual Harassment (PoSH)" on 29th May 2024 with following schedule.

Date/Time: 29th May 2024 (Wednesday), 11:30 am onwards

Venue: Pragyan Hall, Admin Building, DTU

Following speakers would be delivering the talks:

S. No.	Speaker	Topic of talk
1.	Madhavi Kotwal Samson (Founder Director and Managing Trustee of ABHAS NGO)	Understanding POSH: Creating a safe and respectful learning and working environment: Respond, Prevent, and Report
2.	Dr Shankar Chowdhary (Senior Consultant, Women & Child Rights)	Protecting women and all employees from sexual harassment at the workplace: Role of Men

All the interested faculty and staff members are requested to attend.

(Prof. Uma Nangla)
Chairperson, ICC

Copy to:

1. PA to VC for kind information of Hon'ble VC
2. PA to Registrar for kind information to Registrar
3. All ICC members

8. Director, Equal Opportunity Cell
9. All HoDs, with a request to circulate the information among faculty & staff
10. All Wardens, with a request to circulate the information among staff
11. Dy. Registrar (Estb.), with a request to circulate the information among staff
12. Dy. Registrar (GA), with a request to make arrangements for hospitality
13. Head, Computer Centre, with a request to upload the same on DTU website
14. Librarian, with a request to circulate the information among staff
15. ICC Guard File

UNIVERSITY GENDER AUDIT SURVEY FORM

Confidential and Anonymous.

Please answer all questions to the best of your knowledge.

** Indicates required question*

1. Email *

2. 1. GENDER *

Mark only one oval.

- ☐ Male
- ☐ Female
- ☐ Other

3. 2. Age Group: *

Mark only one oval.

- ☐ Under 18
- ☐ 18-25
- ☐ 26-35
- ☐ 36-45
- ☐ 46-55
- ☐ 56 and above

4. 3. Role in the University: *

Mark only one oval.

- ☐ Student (Undergraduate)
- ☐ Student (Postgraduate)
- ☐ Faculty (Teaching)
- ☐ Administrative Staff
- ☐ Management/Leadership
- ☐ Researcher
- ☐ Other

5. 4. Department/Program:

SECTION 2: REPRESENTATION AND INCLUSION

6. 5. How would you rate the gender balance in your department or program? *

Mark only one oval.

- ☐ Excellent (Well-balanced)
- ☐ Good (Slightly imbalanced)
- ☐ Fair (Moderately imbalanced)
- ☐ Poor (Highly imbalanced)

7. 6. Do you feel that all genders have equal opportunities for leadership positions (e.g., Head of Department, Deanship, Administrative Roles)? *

Mark only one oval.

- ☐ Yes
- ☐ No
- ☐ Not sure

8. **7. In your opinion, are recruitment and promotion processes gender equitable at this university?** *

Mark only one oval.

- ☐ Yes
☐ No
☐ Not sure

9. **8. Are gender diversity and inclusion actively promoted in decision-making processes?** *

Mark only one oval.

- ☐ Yes
☐ No
☐ Not sure

SECTION 3: GENDER-SENSITIVE POLICIES AND CULTURE

10. **9. Are you aware of the university's policies on gender equality and anti-discrimination?** *

Mark only one oval.

- ☐ Yes
☐ No

11. **10. Have you received training on gender awareness or equality (e.g., workshops, seminars)?** *

Mark only one oval.

- ☐ Yes
☐ No

12. **11. Does the university provide resources for gender-related issues (e.g., gender studies, mentorship programs, support groups)?** *

Mark only one oval.

- ☐ Yes
☐ No
☐ Not sure

13. **12. In your experience, do individuals of all genders feel comfortable participating in discussions or decision-making within your department?** *

Mark only one oval.

- ☐ Yes
☐ No
☐ Sometimes

SECTION 4: SAFETY AND INFRASTRUCTURE

14. **13. How safe do you feel on campus regarding gender-related safety concerns (e.g., harassment, discrimination)?** *

Mark only one oval.

- ☐ Very safe
☐ Safe
☐ Neutral
☐ Unsafe
☐ Very unsafe

15. **14. Are there sufficient safety measures in place for gender-related issues (e.g., sexual harassment policies, grievance committees)?** *

Mark only one oval.

- ☐ Yes
- ☐ No
- ☐ Don't know

16. **15. Are the following facilities on campus gender-inclusive? ***

Mark only one oval per row.

	Yes	No	Not Sure
Restrooms	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Childcare facilities	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Safety measures (e.g., CCTV, security patrols, lighting)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

SECTION 5: PERSONAL EXPERIENCES

17. **16. Have you ever faced gender discrimination or bias at the university? ***

Mark only one oval.

- ☐ Yes
- ☐ No
- ☐ Prefer not to say

18. **17. Have you ever witnessed gender discrimination or bias at the university?** *

Mark only one oval.

- ☐ Yes
- ☐ No
- ☐ Prefer not to say

SECTION 6: RECOMMENDATIONS AND FEEDBACK

19. **18. What do you think the university could do to promote gender equality and inclusion more effectively?** *

20. **19. Do you have any specific suggestions for improving gender-sensitive policies, facilities, or programs?** *

21. **20. Any other comments or concerns?** *

YES

NIL

Improve gender ratio somehow

The university should specify about gender awareness to students

remove diversity hiring in campus placement

Female Quota in Placements and Admissions

To bring up such contests, awareness and programs which support gender equality

They are doing alright

Have workshops and educate students that females are also human beings and not any object.

Nothing, it is already doing a good job.

Steps need to be taken to improve the gender ratio, especially in the undergraduate programs. This could be done by adding a female quota just like in universities like NSUT.

Aware students about gender equality policies .

nil

Make compulsory participation for some percent of a specific gender in any university activity

Judge on the basis of talent and skills

Conducting workshops on gender equality

Gender equality should be maintained at every level and atmosphere shall be created to promote the feeling of free, fair and safe campus for every gender. Matters of gender discrimination and sexual harassment should be dealt seriously and not selectively.

No Suggestions

Kindly add girl's quota (25%)

I think there is less girls ratio,because personal girls college IGDTU.TO reform from this issue IGDTU should open for all category with change name of college and most important thing is removal "DELHI REGION QUOTA" for increase value of college .

The university could embed gender equality topics into courses across disciplines, conduct regular bias and inclusivity training, and ensure gender diversity is represented in faculty, leadership, and events.

Introduce female quota

Everything is good

They are already doing their best at it

1. Implement Inclusive Policies and Support Systems: The university could establish and enforce clear policies that promote gender equality, such as flexible work and study arrangements, anti-discrimination protocols, and transparency in hiring and promotion practices. Additionally, creating support systems like mentorship programs for women, non-binary, and other underrepresented groups would provide guidance and career advancement opportunities.
2. Enhance Awareness and Education Initiatives: Regular workshops, seminars, and discussions focused on gender equality, unconscious bias, and inclusion can create a more informed and supportive campus culture. Mandatory training for all faculty, staff, and students could ensure that everyone understands and contributes to a more inclusive environment.

1. Create awareness among the youth about different genders.
2. Focus on creating secure and safe environment for every gender.
3. Run promotional marketing campaigns outside college so that more and more students from different genders apply for admission.

Gender equality awareness Workshops and seminars

Create campaigns and spread awarneness

by giving more opportunities to deserving women

Regular feedback mechanisms

Committee

Priority should be given to the female candidate at the time of admission

Good

More number of girls intake

Allow girls to roam freely around campus like boys are allowed whole night

Eliminating gender - based violence

Girls reservation wuota

No suggestions

Should do more campaigns not in audi but also in classes because students skip those sessions.

Give equal chances to everyone

Spread awareness about programs which are favourable for both the genders.

Awareness activities or historical events, laws and cultural changes.

Take workshops and increase female quota

Some extra policies and awareness

Seminar or workshop

can do better in inclusivity

University may invite women achievers in different fields to share their success stories.

Equal opportunities for both male and female candidates, I know that females are less in the industry so it's preferable to have a female quota to increase female numbers because having more female candidates is still more preferable than having a female with less skill set stealing opportunities of more skilled males.

reserve seats for genders which are less in numbers

It's good.

Should have separate reservation quota for girls

Gender ratio in my class 72: 4. Try to make interest of people in that particular field they want.

Mandatory Awareness program

Promote the program more to include more female students in the program.

Reservation

Increase the reservation for women in college

It's perfect

I think they're doing great just keep doing it

Raising awareness amongst students by holding seminars etc .

I dont know

Promote diversity in STEM

Universities can address the under-representation of women in STEM fields by engaging and retaining more women in these fields.

And also maintaining gender ratio in class.

Single girl child quota le aao ladkiyan nai h college mai

To promote gender equality and inclusion more effectively, universities could take the following actions:

Inclusive Curriculum: Ensure the curriculum across all departments includes diverse perspectives, challenges gender stereotypes, and highlights contributions from all genders,

fostering a more inclusive academic environment.

Mentorship Programs: Create mentorship programs that pair students with diverse faculty and professionals, particularly in fields where certain genders are underrepresented, like STEM or humanities.

Awareness and Sensitivity Training: Implement regular training programs for students, faculty, and staff on gender sensitivity, unconscious bias, and inclusion to build a more supportive campus culture.

Support Networks: Provide support groups or networks for underrepresented genders, ensuring they have a space to connect, discuss challenges, and find guidance.

Leadership Opportunities: Promote equal leadership and participation opportunities in student organizations, ensuring balanced representation in decision-making bodies like student councils.

Scholarships and Grants: Offer scholarships or funding aimed at supporting underrepresented genders, particularly in fields where gender disparity is more evident.

Flexible Policies: Introduce policies that support work-life balance for all genders, such as flexible working hours for staff, better parental leave policies, and childcare services for students and faculty.

Zero Tolerance Policy on Harassment: Strengthen policies and ensure strict enforcement against gender-based discrimination or harassment to create a safe and inclusive environment.

Visibility and Role Models: Highlight and celebrate achievements of women and non-binary individuals in various fields through events, talks, and campaigns to inspire students and normalize diversity in leadership.

Intersectionality Focus: Recognize and address the multiple dimensions of identity (race, class, sexual orientation, etc.) in conversations around gender, fostering a truly inclusive atmosphere for all students.

These steps could create a more gender-equitable and inclusive university environment.

Conduction of seminars more on regularly basis , pls extend bus services for female students specifically

Fix the sex ratio between the male students and female students among all batches, at least make it approximately equal to the average sex ratio in Delhi and NCR.

everything is ok

Multiple awareness workshops and safe spaces can be implemented within the university structure to promote gender inclusivity.

Treat every person equally

workshop

There's a mens only gym on campus, which is larger and has better equipment than the gym accessible to everyone. Either everyone should be allowed at that gym or another gym should be established, with the same facilities, for women.

Reserved quota

As such no suggestions

Have a female reservation quota to increase their numbers in the university.

More workshops for gender related discussions.

I feel a good gender ratio automatically promotes gender sensitivity.

Give more opportunities to students.

Increase the quantity of CCTVs in classrooms and other parts of the university

NIL

Policies are on paper unless implemented at ground level with intent.

No Suggestions

There is no such type school,college will not be situated with specific gender based.

Policies: Strengthen anti-discrimination policies and provide anonymous reporting. Include trans-inclusive policies, such as chosen names and pronouns in records.

Facilities: Add gender-neutral restrooms, lactation rooms, and safe spaces.
Programs: Create mentorships, scholarships, and events for underrepresented genders, and celebrate gender diversity through awareness events.

Introduce female quota

workshops or seminars should be conducted monthly to make students aware of all the policies and facilities.

Feedback channels and reporting mechanism

Monitoring

Not as such

Good

NA

Participation of girls

Conducting more programs/seminar on gender equality

No suggestions

Spread awareness on a larger scale and motivate students to participate in them more and more.

Awareness activities or historical events, laws and cultural changes.

Married women must given some age relaxation and an extra point.

1. Some award schemes to promote women in different fields. 2. Support for employees experiencing domestic violence, 3. Inclusion training for women 4. Conduct regular gender audits and assessments,

Yes , having seminars that provide information about such topics related to genders and programs will be appreciated, a fest celebrating this and opening about this is a good way to indulge people as they are more invested in fests rather than seminars, so instead a random fest, we can have a meaningful fest with students participating in programs related to these topics.

Reserve seats for females

Not at all, but I suffered because in my childhood I got no friends. So I got no knowledge about how to live with opp gender. Actually I live like we are children of kinder garden. But with a shocking event I realised I there is much more I need to know.

Provide restroom for girls

Proper workshops

Put sex education as a subject in course.

Installation of more cctv cameras should be taken into consideration.

1. Gender-Sensitive Policies:

Gender-Inclusive Language Policy: Implement the use of inclusive language across all official documents, lectures, and communications, avoiding gendered assumptions and addressing people according to their identified gender.

Comprehensive Anti-Discrimination Policy: Review and strengthen existing policies to ensure they explicitly cover all forms of gender-based discrimination, harassment, and violence.

Ensure clear reporting mechanisms and consequences for violations.

Parental Leave for Students and Staff: Provide equal parental leave policies for all genders, including adoptive parents, ensuring that staff and students can balance family responsibilities with academic and professional obligations.

Flexible Academic Policies: Implement flexible academic policies that accommodate the unique challenges faced by different genders, including caregiving responsibilities, pregnancy, and health-related issues.

Gender Equity Audits: Conduct regular audits of university policies, hiring practices, and programs to ensure gender equity and make necessary adjustments.

2. Gender-Sensitive Facilities:

Gender-Neutral Bathrooms and Changing Rooms: Ensure all campus buildings have gender-neutral restrooms and changing rooms to create a safe and welcoming space for transgender and non-binary students.

Women's Health Clinics: Provide accessible women's health services, including reproductive health, mental health, and sexual health services. Ensure these services are confidential and include support for transgender and non-binary individuals.

Lactation Rooms: Designate private lactation rooms across campus for nursing parents, equipped with necessary facilities for comfort and convenience.

Accessible Childcare: Offer on-campus childcare facilities or subsidized childcare services for students, faculty, and staff, ensuring that caregivers of all genders can balance their academic or professional commitments with family life.

3. Gender-Sensitive Programs:

Gender Diversity Training: Incorporate mandatory gender diversity and inclusion training for faculty, staff, and students, focusing on unconscious bias, gender identity, and intersectionality.

Gender Mentorship Programs: Create mentorship programs that support individuals from underrepresented genders, especially in traditionally male-dominated fields like engineering, computer science, or leadership positions in student organizations.

Support for Survivors of Gender-Based Violence: Establish a well-funded and accessible support system for survivors of gender-based violence, including counseling services, legal aid, and secure spaces.

Inclusive Sports Programs: Ensure that campus sports teams and fitness programs are inclusive of all genders. Offer gender-neutral sports leagues or teams to provide a welcoming environment for non-binary or gender non-conforming students.

Diversity and Inclusion Grants: Offer grants or scholarships specifically for gender-diverse students or students working on gender equality research and projects. This can also include initiatives aimed at improving the gender balance in male- or female-dominated programs.

Awareness Events: Organize gender diversity and equality events such as panels, discussions, and workshops. Highlight International Women's Day, Pride Week, or other gender-related events to promote awareness and engagement.

4. Academic and Career Support:

Gender Balance in Hiring and Promotion: Set gender equity goals for hiring and promotion of faculty and staff to ensure diverse representation at all levels, including leadership roles.

STEM Support Programs: For traditionally male-dominated fields like STEM, create programs aimed at encouraging women and non-binary students to pursue these fields through scholarships, mentorship, and networking opportunities.

Career Services: Offer career services that focus on addressing the specific barriers that different genders may face in the workplace, such as wage gaps, glass ceilings, or discrimination.

By improving policies, facilities, and programs along these lines, universities can create a more gender-sensitive and inclusive environment, where all students and staff can thrive regardless of their gender.

Conduct self defence extra curricular course for us to participate for free

Establish CCTV cameras in lecture halls, laboratories and classrooms.

An equity forum - run by professionals who handle complaints from minority genders with regards to discrimination can make them feel included. It is unlikely that we would be able to change the thinking of students, but the least we can do is make them cognizant about the consequences of their actions.

Not now

university arranges the programs timely

Nill

Clean and well functioning washrooms

After completing Btech or any other courses female candidates got the specific chance as not given to the male candidates even he is more skilled this is unfair.

There must be more awareness for the students in regards of gender equality

More awareness programs on gender equality

No suggestion

None.

Equality

Research on gender issue

Girls quota

Awareness to gender equality and safety measures

No suggestions.

Reservation for girls

Review and update existing policies: Examine current policies related to gender equality, harassment prevention, and discrimination to ensure they are aligned with best practices and address the specific needs of your institution. Develop new policies: Consider creating new policies that address specific gender-related issues, such as parental leave, childcare support, or gender-neutral dress codes

more focus can be done on proper implementation

Providing gender-neutral restrooms, stronger support systems for reporting discrimination, and gender sensitivity training for all can improve inclusivity

Conduct more societal meets or workshops on the same

Nope

No Safety measures in college (e.g., CCTV, security patrol)

The society, SAMATVA can work on issues like these, but there is no support to it. The society is still unofficial and therefore have v less attention of students.

No not as such

intake more females

Teach men to be better

Not give unneeded priority and benefits to girls

Gender-sensitive teaching and learning, Incentive to participate in educational programmes

not yet required

=

More cameras are needed in the university.

Good survey

Not much CCTVs are present in the university

Leadership should lead the way with example of fairness with every one in every matter, if you really want to make difference

LGBTQ societies should be shut down !!!!!

Why do girls hostel have better facilities than boys ??

They have washing machines, kitchen area why not in boys??

Remove DELHI REGION QUOTA and reservation.

Universities should involve students in discussions on gender equality, conduct regular climate surveys, and treat inclusion as an ongoing commitment, adapting policies as needed.

Introduce female quota

There should be approximately equal number of genders in the college

Good

NA

No , thankyou

Awareness activities

Conduct needs assessments

Girls reservations

No

Thankyou

Everything's great

Yes, here are a few additional comments and concerns to consider when promoting gender equality and inclusion at universities:

Intersectionality: It's important to recognize that gender does not exist in isolation. Gender intersects with race, ethnicity, class, sexual orientation, disability, and other identities. Programs and policies should consider this intersectionality to address the unique challenges faced by individuals who may experience multiple forms of discrimination or marginalization.

Inclusive Curriculum: Gender equality should be reflected not only in policies and facilities but also in the curriculum. Review academic materials to ensure that they are diverse, inclusive, and represent contributions from all genders, especially in historically male-dominated fields like STEM or literature, where women's and gender-diverse voices are often underrepresented.

Engaging Men and Gender Majority Groups: Gender equality initiatives should actively involve all genders, including men and those in majority groups, to create a truly inclusive culture. Encourage male students and faculty to participate in gender equality discussions and initiatives to break down stereotypes and promote shared responsibility for gender equality.

Sustainability of Programs: Ensure that gender-sensitive programs and initiatives are not just temporary or symbolic efforts. They should be sustainable, adequately funded, and regularly evaluated to ensure they are making a meaningful impact. Establishing dedicated offices or teams focused on gender equity can help maintain momentum and ensure long-term

commitment.

Transparency and Accountability: Make the university's gender equality goals and progress transparent to the entire campus community. Share data on gender representation in hiring, leadership, and enrollment, and hold leadership accountable for meeting targets. Transparency fosters trust and encourages engagement from the entire community.

Mental Health Support: Address the mental health challenges that may disproportionately affect individuals from underrepresented gender groups, such as stress from discrimination or exclusion. Provide gender-sensitive counseling and mental health services that offer specialized support based on the needs of different gender identities.

Addressing Backlash: Implement proactive strategies to address any backlash or resistance to gender equality initiatives. This could include education on why these initiatives are important and creating safe spaces for dialogue to address concerns or misconceptions.

By continually listening to the voices of all genders and creating feedback mechanisms for ongoing improvement, universities can make real progress toward gender equality and a more inclusive campus environment.

Good measures should be taken to tone down on caste based discriminations too.

I strongly think that the metric of selection at positions of power like - PC, interns etc. should be merit. This may seem counterintuitive but in the name of diversity, many excellent candidates feel helpless just because of them not being in minority gender.

DTU environment is all good and safe

Nil

Good work by equal opportunity cell of DTU, but opportunities to further improvement are always available.

Take necessary steps for the contribution

No concerns from my side.

Yes remove delhi reservation and include women reservation

Regular feedback sessions on gender issues and a dedicated task force for inclusivity would ensure that the university remains supportive and progressive.

The Common Gym should be either be comfortable and safe for both the genders or there should be better machines in the Girls' Gym. The condition of that gym is really bad, please consider it.

No as such no comments or concern

take more females during admission and reduce gender biasness for males during placements

For future, please improve gender ratio of BTech programs. I don't know if it's normal that a class of undergraduate students have at most 5 girls in a batch of 70 students.

Not really

No ,I haven't

I got to know about my female friend getting harrassed by guys in a car... whistling nd staring in campus which is highly unacceptable

None

not specifically

There is a huge amount of gap between the no. of boys and girls in university

None as of now

Establish regular feedback channels where students and staff can anonymously share their experiences regarding gender equality and suggest improvements.

-

The ratio in Btech is way less. I've sometimes seen shy girls missing a lot of classes due to lack of girls in the class. It affects their studies.

organize seminars and webinars

ALL IS GOOD BUT REPAIR INFRASTRUCTURE ON REGULAR BASIS

Self defence classes should be necessarily provided to teach girl students atleast basic self defence

Gender equality initiatives should not be one-time efforts but should be continuously monitored and adjusted based on their effectiveness.

Nothing as such, just that a regular feedback from staff members, students and faculty members, on this would surely help to eradicate any concerns if they were exist.

Not related to the topic but PLEASE TEST PEROFESSORS' TECHING QUALITY AND METHODOLOGY EVERY YEAR. The level of teaching is on steep downfall and this is concerning. Many of the professors don't know how to teach. There are zero teacher-student interactions and professors embarrass students many times for no reason. So many professors take lectures just for the sake of it. The situation is really really pathetic to be honest. I've noticed some professors have very inflated ego as well, who cant even answer doubts without shaming the student.

I don't know

Removal of monkey and stray dogs from the University campus.

Not that I can think of right now

Girls reservation

May try to be best

Rest all seems well in our decent university under the leadership of Dynamic VC..

no.

No, thanks

Conduct regular campus-wide surveys to assess the effectiveness of gender-sensitive policies and programs.

If a girl witnessed gender discrimination then where she do complaint about it???

nope

It must be noted that if girls donot come forward and participate actively in class that does not mean that they are least bothered about studies we have come so far because of our hard work we don't talk or open up so much because of shyness or fear but that does not define us. With time we will overcome it.

provide one extra leave per month to females

Internet access and clean drinking water are essential for university students and faculties. University must provide above said facilities in the campus.

Seniors of universities are very bias towards girls, whether its an entry in any fest to let girls in the societies of college this isn't fair

4/29/25, 1:00 PM

UNIVERSITY GENDER AUDIT SURVEY FORM

also there is a modeling society which doesn't even shortlist boys as much as the girls so these things i had witnessed and heard of, never faced that in person.

no

Not really
