AQAR for AY 2022-23

Criteria	Description	Paragraphs for AQAR 2022-23
7.1.7	<p>The institution has a disabled-friendly and barrier-free environment</p> <p>Ramps/lifts for easy access to classroom and centres. Disabled-friendly washrooms</p> <p>Signage including tactile path lights, display boards and signposts</p> <p>Assistive technology and facilities for persons with disabilities: accessible website, screen-reading software, mechanized equipment, etc.</p> <p>Provision for enquiry and information: Human assistance, reader, scribe, soft copies of reading materials, screen reading etc.</p>	<p>The university has implemented accessibility features across its premises, including the installation of ramps, lifts, and disabled-friendly washrooms, particularly on the ground floors of departments. Clear signages and display boards adorn entry points across various facilities, such as departments, hostels, health centers, canteens, and academic areas. To facilitate mobility, there are provisions for wheelchairs available at designated locations. Moreover, an inquiry and information system is established at the Administrative building, complemented by DTU Mitr, an online helpline catering to queries during the COVID-19 period. Trained security personnel provide assistance as needed, and the university has comprehensive guidelines to support disabled students during examinations, offering scribe services when required.</p> <p>Specifically, recent construction projects like academic block 3 & block-4, Veerangana Laxmibai Hostel, APJ Abdul Kalam Hostel, Raj Soin Hall, and Design Department buildings are outfitted with inclusive features like ramps, lifts, tactile paths, and disabled-friendly washrooms. Additionally, ongoing enhancements encompass the installation of 30 new lifts and ramps across existing academic blocks and residences at DTU, further solidifying the commitment to extensive accessibility enhancements.</p>
